### **Acknowledgment of Minimum Requirements for NJHS Membership**

The following are the crucial standards for NJHS membership eligibility and continued membership once inducted. A student receiving any items noted below (during the 6th, 7th, and 8th grade years combined) would not be considered eligible for admission or continued membership in NJHS, a prestigious organization that values academic excellence and character development.

**(Any of the items below will likely result in dismissal from NJHS, a decision that reflects our organization's high standards and expectations.)**

- **Disciplinary referral**
- **Disciplinary probation following IAC activity**
- **"U" in conduct from any one teacher**
- **"N" in conduct from more than one teacher**
- **(3) Notices of Academic Violation (walks)**
- **(3) Notices of Discipline Violation (detentions)**
- **Any discipline violation related to honesty/character (including but not limited to cheating, giving or receiving assigned work, forgery, or lying)**
- **Out of school suspension**
- **(2) unexcused absences at the NJHS General Meetings throughout their 8<sup>th</sup> grade year**
- **GPA less than 3.50 (GPAs are not rounded; a 3.49 would not qualify)**

The student planner has additional information regarding some of these standards.

I acknowledge the above minimum standards and the additional information in the planner. I understand that an NJHS candidate would be considered ineligible for membership if they do not meet these minimum standards during the selection process. A member will be dismissed from NJHS if these minimum standards are not maintained.
