Dear Parent/Guardian:

Our outstanding teachers are dedicated to our students and to our vision of 100% student success. They are all certified by the state of Florida. In addition, they attend workshops and training courses designed to support them and offer strategies to help our students achieve.

Teacher selection and scheduling can be a challenging process. Occasionally it becomes necessary to assign a course to a teacher for which he/she is not currently certified. These decisions are made with consideration to teacher competence and with a continual commitment to the highest student achievement.

Any teacher assigned out of field is chosen carefully, given additional district support, and is expected to work toward appropriate certification in a timely manner.

The table below lists teachers who are currently out-of-field.

Sincerely,

Brittnee Scott
