### **Over the River**

V. 1 & 3:

Over the river and through the woods to Grandmother's house we go. The horse knows the way to carry the sleigh through white and drifted snow. Over the river and through the woods, oh how the wind does blow. It stings the toes and bites the nose as over the ground we go

V. 2:

Over the river and through the woods and straight through the barnyard gate. It seems that we go so dreadfully slow, it is so hard to wait. Over the river and through the woods, now Grandma's cap I spy. Hurray for fun, the pudding's done. Hurray for the pumpkin pie.

## My Planet, Your Planet

Hey, I'm living green. You know what I mean. Like when my air and my water are clean. Hey, I've gotta say I'm starting each day by making a choice to be living this way.

V. 2: Hey, I think it's clear our planet is dear. It's time to be making some changes right here. Hey, green is ok. Yeah green is the way that we should be trying to live every day.

Cause I am an air breathing, water drinking earthling. I like it when nature is in balance. If you are an air breathing, water drinking earthling, then let's work together to bring harmony to...

**Refrain:** My planet, your planet, our planet, everybody, all of us. This planet, one planet, we are all a part of planet earth.
