SUPPLIES**

WATER BOTTLES

CLASSROOM ENHANCEMENTS

Did you know that PTA funds a lot of the enhancements that students and teachers receive in our classrooms?

PTA purchases our gathering rugs and pays for them to be cleaned. PTA bought iPads and carts for every kindergarten classroom and water bottles for every student. Every time our students take a fun field trip, the cost of the buses is offset by PTA funds!

LOVE FOR THE LIBRARY

WOBBLE STOOLS

FLEXIBLE FURNITURE

NEW RELEASES

PTA has helped recreate the school library as the center of the school by funding a lot of the flexible seating students love. PTA purchases popular new books as they are released and recently bought new nonfiction series for students.

SCHOOLWIDE IMPROVEMENTS

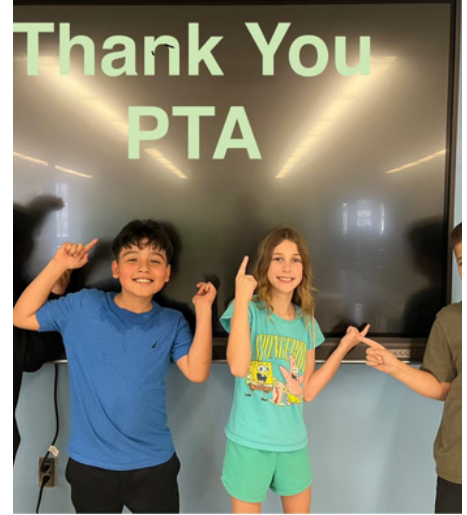

Money raised by PTA events touch every part of Westgate Elementary inside and outside. Everywhere you walk, you encounter an improvement made possible by these funds.
