

Elementary School

Brooker Creek

Mission

Brooker Creek Elementary, a community that encourages growth by valuing each other's differences, respecting everyone, and creating life-long learners.

Vision

100% Student Success.

2024-2025 Focus Area

Teachers will participate in PLC's that focus on high yield strategies that will enhance their teaching and the student learning experience. There will be two culminating events which will allow for teachers to visit classrooms and see their colleagues using the high yield strategies.

Teacher Clarity
Feedback

Student Self-Questioning Techniques
Reciprocal Teaching Strategies

Teachers will participate in a goal setting training to develop their understanding of goals and the importance of goal setting within the student experience.

Students will participate in a goal setting classroom experience that will focus on the importance of having goals, how teachers use student goals to determine curriculum to be taught, what strong academic goals would be when designing the around the Progress Monitoring Cycles. Student will create goals after PM 1 for PM 2 and PM 3.

Administration will meet individually with all level I students after PM 2 to determine goals and an academic course of action that will assist these students in attaining academic gains for PM 3.

2023-2024 Performance 2024-2025 Goals

ELA Proficiency	77% / 80%	Math Proficiency	87% / 90%
ELA Gains	65% / 70%	Math Gains	68% / 80%
ELA L25 Gains	50% / 65%	Math L25 Gains	60% / 70%
3rd ELA Proficiency	85% / 90%		
Science Proficiency	81% / 85%
