We all want the best education for our children. The dedicated staff of Curtis Fundamental Elementary could use your help.

The Class Sponsor Program allows an individual, business or organization to sponsor a class or a department of their choice, with a tax-deductible donation.

By becoming a Class Sponsor, you will help ensure that the children in your class or department have the resources they need to succeed.

Your investment in this program goes beyond the satisfaction of meeting our current needs. You can take pride in knowing you are molding the future leaders of our community.
