

WE NEED YOUR SUPPORT

PTO has been tirelessly working to raise funds in order to support the students at Nina Harris but WE NEED YOUR HELP!!!

Due to current events, fundraising will be our main focus for this year. We want to make sure that we are still able to provide students with activities, materials, and supports that they need in order to thrive.

Your membership, **only \$5**, is VITAL in ensuring that we are still about to provide fun and engaging activities for your student. Without your membership, Nina Harris Parent Teacher Organization will struggle to remain a functioning entity here to aid and support the students and staff at Nina Harris.

Please consider becoming a member of Nina Harris Parent Teacher Organization.
