About Peer Mediation
Peer Mediation is a process for managing conflict that allows students the opportunity to talk through their disputes with the help of trained student mediators.

By training students to mediate peer conflict, we equip schools with student leaders whose efforts improve school climate and culture.

Benefits of Peer Mediation
- Empower Students
- Improve School Climate
- Improve Self-Esteem
- Sense of belonging
- Reduce loss of instructional time
- Staff regains time
- Build conflict-resolution skills
