

Academy of Business Careers – Course Pathway

Grade 9

Majors

Grade 10

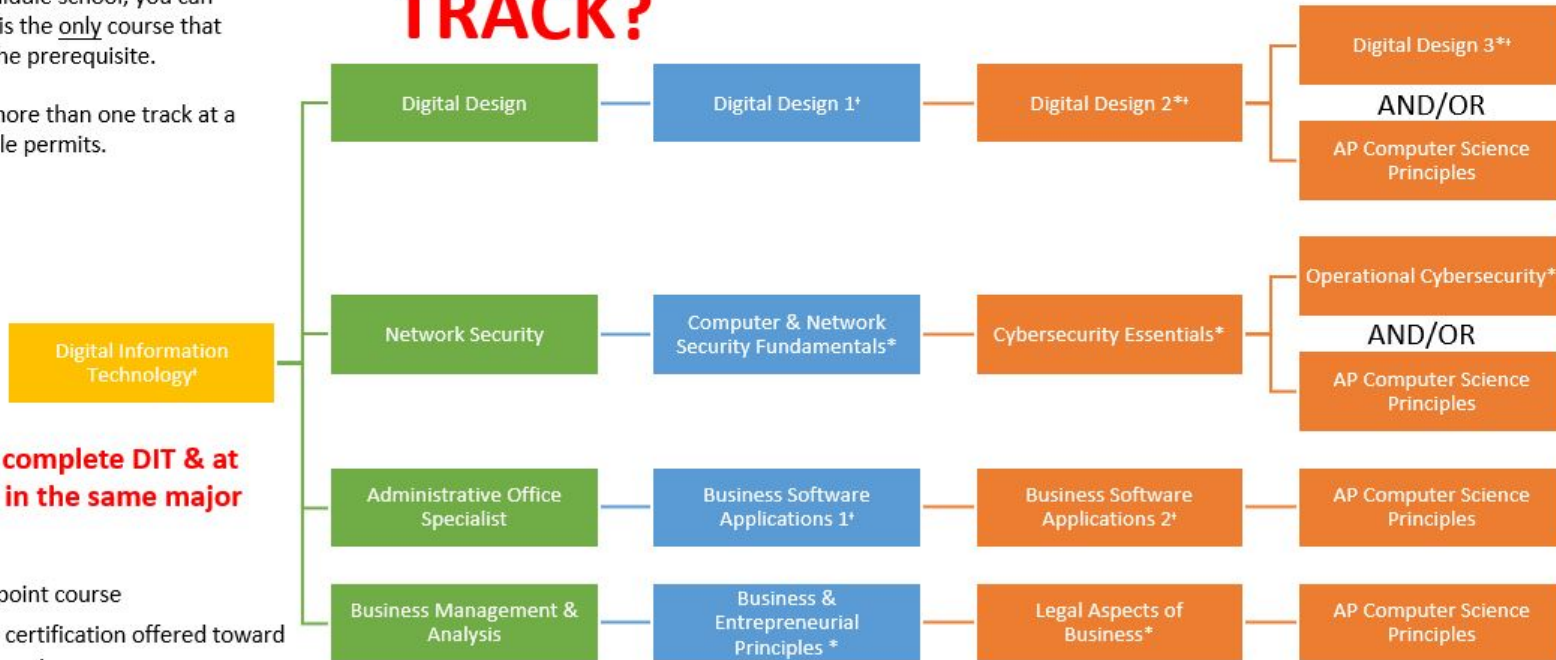

Grade 11

Grade 12

You may enter the academy after 9th grade, but you must take **Digital Info Tech** before any other courses. Additionally, if you have completed DIT in middle school, you can move ahead. That is the only course that will count toward the prerequisite.

You may work on more than one track at a time if your schedule permits.

ARE YOU ON THE RIGHT TRACK?

Students must complete DIT & at least 2 courses in the same major

* Indicates quality point course

* Indicates industry certification offered toward merit diploma designation
