Fall 2019

Welcome East Lake High School Volunteers! My name is Teresa Peterson and I am the Family and Community Liaison at East Lake High School.

Volunteers are an invaluable part of our school's success. We have over 1000 registered volunteers that logged over 7,000 volunteer hours last year supporting our students, teachers and staff. We have opportunities for clerical help, tutors, test proctors, and more. Please consider joining our volunteer community today! All volunteers must be background checked and approved prior to volunteering.

Volunteering as a mentor is a great way to help a student. A one-hour workshop is required. Mentors meet with students to help create a pathway for their success. Call me if you would like to learn more about our mentoring program. As little as 1 hour a week can make a difference.

The contributions of volunteers and partners demonstrate to students that their success is important enough to the community to take an active role in their education.

Please don't forget to log your volunteer hours. We are a **Five Star School** because we meet the highest standard for community involvement. This is a state award given to schools that have meet superior criteria for volunteer hours, student volunteers, community involvement, and business partnerships. So please log your volunteer hours. School Advisory Committee meets at 6:30 PM the 2<sup>nd</sup> Tuesday of each month in the large conference room. Meetings are open to everyone.

New family and community members can now complete volunteer registration on line. Your application will be processed, and you will receive an email approval with a user ID and password to log your volunteer hours.
