Scheduling | Requirements

Student exam prep is scheduled during afterschool hours for 2 weeks prior to certification date. Notifications are distributed to students on a yearly basis with dates/times

Semester 1:

1st Test Round Beginning/Mid November **Prior to Thanksgiving Break**

2nd Test Round 2nd/3rd week in December ** Prior to Winter Break**

Semester 2:

1st Test Round 2nd week in March **Prior to Spring Break**

2nd Test Round 1st/2nd week in April

Requirements

- All students must have register two (2) passing scores of >= 90% on the practice test(s) for the chosen software product they are preparing to take certify on.

- Students who qualify for certification testing and receive a score >=70% on their exams will receive a passing mark and be awarded their certificate of completion. **Note** If the student doesn't pass their attempt, they must wait a 21-day window before being allowed to attempt recertification.
