Dear parents,

The Lakewood High School students and staff are proud of our modified dress code. It helps create an environment conducive to lifelong learner and minimizes the distractions throughout the school day that could come with students coming to school inappropriately dressed. A student's appearance can have a powerful impact on the climate of our school, whether negative or positive. We strive to ensure students' safety and security, as well as maintain a healthy learning environment.

Therefore, students must adhere to the Lakewood High School modified dress code requirements shown below. These requirements are to be followed by both female and male students, except where difference are noted.

*The Lakewood Administration thanks you in advance for your cooperation and assistance.*
