SUBJECT: Game Removal and FHSAA Penalties/Fines

TO: Clearwater High School Student Athletes and Parents

Please be advised that in the event that a student(s) athlete for any reason is removed by the officials from an athletic competition, it is the responsibility of the student athlete and their parents to pay all fines and charges assessed by the FHSAA, school and district. The student(s) will not be allowed practice or playing time until all fines/penalties are paid in full.

It is against FHSAA policy for student athletes to clear the bench to get involved in a fight or disturbance on the field or court during a game.

Please be advised that students who clear the bench may be dismissed from the affiliated team and will be responsible for paying all fines/penalties assessed by the FHSAA, school and district. If allowed to remain on the team, the student(s) will not be allowed practice or playing time until the fines/penalties are paid in full.

Please be advised that any parent/fan who enters an athletic field/court at any time during an athletic event will be removed from the game and ineligible to attend further events for the remainder of the 2023-2024 school year.

The student athlete may be removed from the team for a parent entering the playing field/court. Parents will be responsible for paying all penalties and fines charged by the FHSAA for entering the field/court. The student(s) will not be allowed practice or playing time until the fine/penalty is paid in full.

Parents/fans may not enter the sidelines of a playing field or court for any reason without administrative permissions.

Thank you for your cooperation in adhering to the above policies.

It is our desire to see your student athletes succeed both in and out of the classroom!

Sincerely,

Eric Krause
Principal

Mission Statement

To provide an educational process which gives students the information and skills needed to develop a foundation for life that enables and challenges them to be successful in a global and multicultural society.
