

Items in this email: *Backpack, general list of supplies, supplies to have on hand, teacher specific lists and teacher/program wish list items.*

Here is a standard list of items a student should have available in your child's bookbag. Only a few of these items need to be carried each day. Paper, pens, and pencils are standard items. Below the standard items are specific teacher lists for their courses.

## BACKPACK

- Essential for every student.
- Tech HS has no lockers on campus. Veterinary has lockers for boots.
- Backpack can be any design (standard, multi-pocket, messenger, including with wheels). We do not require a doctor's note to allow your child to use one with wheels.
- Designs on backpack MUST be school appropriate.
- Consider one which has an extended or lifetime warranty. JanSport, LL. Bean, and some others have great warranties that offer replacements should the fabric rip or zippers fail.
- Consider one which has a laptop sleeve designed to safely protect the laptop during travel.
- Some have water bottle holders.
- Put your child's name on the backpack so we can reconnect bags to owners without having to go through the bag.

## GENERAL LIST OF SUPPLIES

- **Water Bottle w/name on bottle**
- **Umbrella—Small collapsible**
- Scientific calculator, (about \$12) which is required for math & testing. (*Cellphones are not permitted for testing to use as calculators*)
- 1" Binders
- College Ruled Notebook Paper
- College Ruled Spiral Notebooks
- Composition Books
- Index Cards
- **Blue & black ink pens.** PLEASE limit light-colored pens or glitter pens for writing. These inks make it difficult to read.
- Pencils
- Highlighters
- Personal Disinfected Wipes
- Graph Paper (for Geometry)

- Graphing calculator for Algebra 2 & higher course TI 84 (\$88+) \*\*
- VETERINARY students – personal lint roller.
- Wired earbuds to connect to computer. Not wireless as to misuse of connection. A cheap pair is about \$8.

😊 Good to purchase while sales are running, but may not be needed.

- Flash Drive 😊
- Pocketed Folders 😊
- Colored Markers 😊
- Colored Pencils 😊
- White Glue 😊
- Glue Sticks 😊
- Construction Paper 😊
- Poster Board 😊
