As a **student** in this magnet program, I agree to:

- Attend school every day ready to learn and do my best to meet my academic goals.
- Never be a bully
- Be an active participant in school. "Why are you here?" You are here to LEARN!
- Participate in all class and magnet program/STEAM activities
 - KHEMS students are expected to demonstrate academic effort by regularly completing assignments and by participating appropriately in lessons, activities, and on assessments. Students should be self-motivated, able to work cooperatively with others, solve problems creatively, and should enjoy hands-on activities. In addition to the above, STEAM magnet students are expected to fulfill academic requirements related to the magnet theme to maintain active status and continue to the next grade level in the magnet program. This includes completing STEAM projects and attending STEAM clubs.
- Follow the "Lion Way" while on campus including in classrooms, hallways, cafeteria, Music, Art, and PE areas. I will be SAFE, RESPONSIBLE, RESPECTFUL, and KIND, including accepting responsibility for my own actions
- Have cell phones and/or any other communication devices out of sight and powered off throughout the entire school day, and not powered back on until dismissal if given permission to call about transportation.

Elementary Magnet Procedure for Possible Removal from the Program

It is expected that all students in the KHEMS magnet program successfully complete the program.

An Intervention Committee (IC) reviews cases, suggests interventions that will increase student success, and recommends probation and removal from the magnet program for students who are not being successful meeting KHEMS expectations.
