

2022-2023 School Improvement

Goals

- Proficiency in English Language Arts will increase 14% from 46% to 60%.
- Proficiency in Math will increase 6% from 59% to 65%.
- Proficiency in Science will increase 2% from 75% to 77%.
- Proficiency of our AA scholars in ELA will increase 13% from 37% to 50%.
- Proficiency of our AA scholars in Math will increase 10% from 46% to 56%.
- Proficiency of our ELL scholars in ELA will increase 10% from 43% to 53%.
- Proficiency of our ELL scholars in Math will increase 2% from 68% to 70%.
- 70% of our Tier 2 behavior scholars will reach their monthly goal at least 6/9 months of the school year.

- Provide regular structures for planning and PLC's where teachers are regularly engaged in data/ student work analysis as well as lesson rehearsal for upcoming lessons including scaffolds that address gaps in student learning.
- Utilize curricular materials to create a common foundation of standards-aligned, rigorous expectations for all students.
- Celebrate student's growth with regards to goal setting and academic progress to encourage the use of high-yield strategies and ensure continuous growth.
- School wide PD will focus on increasing fluency in Reading and in Vocabulary development.

Instructional Practice

Positive Culture + Climate

- Implementation of PBIS school wide system of support "The Lion Way".
- Implementation of Social Emotional Learning lessons in every classroom and in targeted small groups.
- Implement small group / one on one counseling and a Check In / Check Out accountability system for Tier 3 scholars.
- Implement small group counseling and an accountability system for Tier 2 scholars.

#The LION WAY - One TEAM One GOAL- 100% Student Success
