# Dad's Day Pancake Breakfast

Serving McDonald's

Team up with other Lake Saint George Elementary dads and kids for an All Pro Dad's Day Breakfast. A quick, before-school meal and a 50 minute program of fatherhood and family topics. You'll take away some great tips and resources to help you be the best Dad you can be and you'll strengthen your relationship with your kids at the same time. If Dad is not available, come with another male role model or with Mom.
