COUGAR CAREER CENTER SENIOR SCHOLARSHIP

Application Dates – August 14, 2019 – February 29, 2020

The Career Center Advisory Board founded an annual scholarship for Countryside Seniors and has awarded thousands of dollars to several students each year. It is our LEGACY from start to finish.

The Career Center Advisory Board led by Director Kathleen Lamb is composed entirely of volunteers with support by Countryside high leadership and faculty.

Please give a call to 727-725-7956 Ext 2318 and schedule an appointment for your own personal tour.

The Cougar Book Club will be reading Noggin this month. Listen, it's about Travis Coates who once was alive and then he wasn't. But now he's alive again. At some point or another, his head got chopped off and shoved into a freezer. Five years later, it was reattached to some other guy's body, and well, here he is. Despite all logic, he's still 16 and everything and everyone around him has changed. That includes his bedroom, his parents, his best friend, and his girlfriend. If you are interested in reading this book, sign up in the media center as soon as possible. The first 5 people get to keep a free copy of the book. The meeting to discuss the book will be afterschool on **November 21st** in the media center.

Pinellas Pathways to Graduation

Pinellas County Schools developed Pathways to Graduation to provide students with a roadmap of course options to ensure that they graduate prepared for their educational and career goals after high school.

There are three Pathways: The Advanced Scholar Pathway, the College Scholar Pathway and the Technical/College Pathway.

Each Pathway provides course options that help students complete the requirements for earning a high school diploma. The Pathways also allow our graduates to distinguish themselves when they apply to colleges, University's and technical schools, or enter the workforce.

Students can choose different Pathways later or multiple Pathways at the same time. No matter which Pathway(s) students choose, they will be eligible for any or all of the diploma seals, also known as Diploma Designations: the state's Scholar and Merit designations and Pinellas County Schools Advanced Scholar designation. Please, go to <https://www.pcsb.org/Page/3778> for more information on the PCS Website.
