Dear Green Devil Parents and Students,

As Principal of St. Petersburg High School, I hope everyone is healthy and safe. It is my pleasure to welcome everyone back for another great year at St. Pete High. Although at this time we are uncertain about exactly what the 2020-2021 school year will look like we are all very excited to have students back in our classrooms and hallways filling them with enthusiasm and energy for learning. I am looking forward to an exciting year of learning and growing with our students and working with our professional staff, our parents and community members. I look forward to greeting both our returning Green Devils as well as our incoming freshmen class of 2024.

St. Petersburg High School has a deep reputation of outstanding academic achievement, tradition and school spirit.

My main goal is to ensure that every student is provided the highest quality of education possible in a safe and supportive learning environment. Working together as a team with our staff and parents, I am committed to helping each student achieve their very best. Every student is valued and worthy of our best effort.

Please take a few minutes to read through this newsletter, it has very important information for the start of the school year. Please know that we will be communicating information regarding our Freshmen Orientation as soon as we have received that guidance from our district office. In the meantime, if you have any questions, please contact us.

Additionally, we hope that you will find our website helpful and informative. Our weekly Parent Connect and email updates sent on Sunday evenings are meant to help keep our families updated about the events and happenings each week on campus. If you do not have an updated email address and/or phone number in FOCUS, please make sure to get this updated as soon as possible.

I am honored to serve as the principal of St. Petersburg High School. It is truly a privilege to be a part of a community where parents, teachers and students work hand in hand to help build positive relationships that support academic and social growth.

Once again, welcome back! Thanks for all that you do to support your student and SPHS.

I look forward to seeing everyone on the first day of school, Wednesday, August 12, 2020. School starts at 7:25am and is out at 1:55pm.

COUNSELORS’ CORNER

SENIORS
During early fall, counselors will conduct Senior Seminars where financial aid information will be made available to each student as well as a copy of their transcript at that time. We will also review graduation requirements and post-grad options.

It’s imperative for college bound seniors to take either the ACT or SAT for college entrance, scholarships, or to determine college readiness. Test dates and test sites fill up quickly so it’s important for students to complete their registrations ASAP.

• The code for SPHS is: 101530
• ACT: www.actstudent.org
• SAT: www.collegeboard.org
• Free Test prep for SAT only on www.SATpractice.org
• Free Test prep for both SAT and ACT is available online via: www.kaptest.com/quizbank and www.shmoop.com

ACT and SAT also have test prep available on their websites.

SCHOOL DAY SAT
Class of 2021 may opt-in to take the SAT at no cost on Wednesday, September 23, 2020. Students can go to the “Advance Studies and Academic Excellence” page on PCSB website to register. Class of 2022 will take the SAT on Wednesday, March 3, 2021.

TIME TO APPLY FOR COLLEGE!
Students should use the summer to determine when application deadlines are for their prospective colleges and universities. Then they can establish a schedule for themselves to be prepared to meet these deadlines.

COLLEGE VISITS
Seniors who wish to take college visits will need to pick up the appropriate paperwork in the Main Office at least 3 days prior to the visit. Signed documentation of the visit will need to be presented to personnel in the Main Office upon completion of the visit.

JUNIORS
Juniors are urged to register and pay for the PSAT/NMSQT which will be administered in October at SPHS. Specific date of the PSAT/NMSQT will be announced in August. Students are to bring a check made out to St. Petersburg High School or the exact change. Students taking the PSAT will have the opportunity to become more aware of SAT directions and questions. The Student Search Service provides students the opportunity to receive information from colleges and universities. Students will be able to enter scholarship competition from the National Merit Corporation.

Juniors are also encouraged to start the college search process. College visits may start during second semester of their junior year. See above senior information.

Juniors who have not passed the FSA/ELA may use concordant scores from the ACT or SAT in its place. See above senior information on how to register.

SOPHOMORES AND FRESHMEN
Students who hope to qualify for the Florida Bright Futures Scholarship Program must complete service learning hours and turn them in. The necessary forms are available on the counter in Guidance, room 221. Counselors must approve community service projects prior to students logging hours. Students are asked to turn in completed community service hours’ logs by the beginning of May.

CHECK OUT PROCEDURES
Parents requesting early check-out of their student can write a note and the student can go to Student Services, room 135, that morning to get a Permit to Leave slip. This alleviates any wait time for you when you come to pick up your student. If you call or come in, please understand that we do need time to get your student for you. Please allow at least 30 minutes. This will give the school the opportunity to look up the student’s schedule and send for them to meet you in the front office. Parents, it is important that we check the driver’s license of anyone picking up your student early from school. This will be done to ensure the safety of your child. After 1:30 pm there will be no permission to leave slips written, due to the time constraints on using the proper method of getting your child from class.

SECOND ANNUAL SPHS ART SHOW – FIRST VIRTUAL!

The CAS Project has been the catalyst for the SPHS Art Show since its inception in 2018. The project, a required component for graduation in the IB Diploma Program, encourages students to be involved in Creative thinking, Action that contributes to a healthy lifestyle and Service that is a voluntary exchange with learning benefits for the student.

Students complete activities that allow their learning to extend beyond the classroom. Many students fulfill their CAS requirements through service projects. As a result of the rigorous academic requirements for the IB diploma, students do not have the availability for Fine Arts courses beyond their sophomore year. Therefore, artistic students in grades 11 and 12 do not have a formal outlet for art. By combining their desire to give back to the art program and be a part of the Visual Arts department, students merged the CAS project with the art department. A winning partnership was created between IB students and fine art instructors to showcase the art of traditional students, raise funds for the arts and bring it all to the community of St. Petersburg.

This year’s CAS project was solely produced by junior, Athena Symonette who discovered a love of coding in her ITGS class (Information Technology in a Global Society). An art lover and accomplished artist herself, Athena felt the arts weren’t being presented, and wanted to bring awareness to it. Throughout the school year, plans and efforts were made for another art show similar to last year’s success with over 300 works of art displayed, and some 250 community members attended. With an original show date slated for late March, the current pandemic cancelled all show plans. Not to be discouraged, Ms. Symonette relished the opportunity to put those coding skills to use, and the first ever SPHS Virtual Art Show was born.

Tracie Bolack, the 2D Art & Design teacher connected Athena with the art works and is heard to be “bursting with pride” and gratitude. Ms. Bolack said “I am so grateful to Athena for her dogged positiveness and sound work ethic. She was not giving up, and I didn’t have the heart to let her down, so here we are! My greatest take away was that the students, Mrs. Symonette relinquished the opportunity to put forth those coding skills to use, and the first ever SPHS Virtual Art Show was born.

The following medications may be self-administered:

- Insulin
- Epi-Pens
- Pancreatic enzymes

If there are any questions, please contact your child’s school and ask to speak with the school nurse. Thank you for your cooperation and adherence to the Pinellas County School’s medication policy.

NEED TO USE THE ELEVATOR?

If you ever need to use the elevator at school, you will need to bring in a doctor’s note stating how long the elevator will be required. Before the elevator key is issued the student will have to put down a $20.00 deposit that will be returned by check in the mail once the key is returned. Elevator keys can be obtained in the bookkeeping office.

ABSENCES

If you are absent from school, a doctor’s note, phone call or written excuse from the parent, is required within 48 hours of the absence. Parents may also send an email to excuse their student’s absence to StPetersburgHS.Absence@pcsb.org. A written excuse should include the student’s name, reason for absence, and parent telephone number. A parent may excuse 5 days in a semester. Further absences cannot be excused without a doctor’s note. Absences should be for the following reasons: student illness, family emergency, death in family, medical appointments, and religious holidays.

NOTE: The Florida Legislature has enacted requirements that schools report to the Department of Highway Safety and Motor Vehicles (DHSMV) the names of students who fail to satisfy the attendance requirements. This refers to students who accumulate 15 unexcused absences (excludes out-of-school suspension) within 90 calendar days. Students who fail to satisfy attendance requirements will be INELIGIBLE for driving privileges.

STUDENTS’ DELIVERY OF FLOWERS, BALLOONS, ETC.

With safety in mind, the school cannot accept any type of flower arrangement, balloon bouquets or balloon arrangements for delivery to students. Many times, these gifts are in glass containers which can be broken. In addition, they cause class disruption. Please do not send any type of delivery to students here at school. They will be refused and sent back to the sender. Your understanding and cooperation is greatly appreciated.
