Principal's Message

"...Committed to providing a first class educational experience..."

Dear Green Devil Families,

I hope everyone had a relaxing and peaceful holiday break. It's hard to believe that this school year is already half over. We have enjoyed many successes here at SPHS both in our classrooms and in our many extracurricular activities. Specifically, we had four students who were named as National Merit Semifinalists. In our athletic programs, Green Devils have excelled in volleyball, golf, cross country and swimming with several of our student-athletes and teams qualifying and competing in the state playoffs. Our music and drama departments continue to produce superior performances despite all of the challenges this year has presented. Furthermore, we are extremely proud to announce that our 2020 graduating class had the highest graduation rate in school history with a rate of 97.4%. I am extremely proud of our students' talents and efforts and I look forward to seeing what the spring semester brings.

I am asking that you please take a few minutes and read through all the valuable information provided in this newsletter. If you have any questions or concerns about your student's preparation moving forward into second semester, please contact us. The Guidance department and administrative team will be conducting parent workshops related to the AP and dual enrollment opportunities as well as course schedule options for the 2021-2022 school year starting this month. Please look for these dates!

Finally, I truly appreciate the parent support that is provided here at SPHS. It is one aspect that makes our school great. Please feel free to call if we can assist your son/daughter in any way as we provide our students with a first-class education!

Go Green Devils!

Sincerely,
 Principal Darlene Lebo

All 9th, 10th, 11th graders took the PSAT in October, the scores are available now online and can be accessed following the directions listed below. Counselors will be following up with students during classroom visits end of January/beginning of February.

1. Go to studentscores.collegeboard.org.
2. Click "Sign Up" under the Sign In spaces.
3. Input your personal information under "Create Your Student Account."
 - Once students have set up their College Board account, they will need to log in to the account to access score information. Students should enter their username and password (at studentscores.collegeboard.org). They will be redirected to their SAT Suite of Assessments score-reporting portal, with their most recent test showing first.
 - If their most recent test is missing, they can use the "Missing Scores" link to update their personal information and provide their access code or student ID that will match their scores to their account.
4. When students log in to their College Board account, they will be taken to a dashboard (entry) screen that includes their scores, links to SAT practice, AP and core course work, and information about Student Search Service and career profiles.
5. The first thing they will see on the dashboard is their most recent scores. The total score for PSAT/NMSQT ranges from 320 to 1520. It is the sum of their Math section score added to their Evidence-Based Reading and Writing section score. When students click "View Details," they will be taken to their detailed score reports.

ABSENCES

If you are absent from school, a doctor's note, phone call or written excuse (from the parent must be emailed to StPetersburgHS.Absence@pcsb.org), is required to be sent within 48 hours of the absence. The email should include the student's name, reason for absence, and parent telephone number. A parent may excuse 5 days in a semester. Further absences cannot be excused without a doctor's note. Absences should be for the following reasons: student illness, family emergency, death in family, medical appointments, and religious holidays.

Note: The Florida Legislature has enacted requirements that schools report to the Department of Highway Safety and Motor Vehicles (DHSMV) the names of students who fail to satisfy the attendance requirements. This refers to students who accumulate 15 unexcused absences (excludes out-of-school suspension) within 90 calendar days. Students who fail to satisfy attendance requirements will be INELIGIBLE for driving privileges.

DUAL ENROLLMENT AT ST. PETERSBURG COLLEGE

St. Petersburg College offers college classes to qualified high school students in Pinellas County at no cost to the student. These courses allow students to earn credits toward a high school diploma and a college degree. Dual enrollment course grades are recorded to the student's high school transcript and his/her permanent college transcript. Therefore, students must give their best performance in dual enrollment coursework because the resulting grades can greatly impact post-secondary education opportunities, scholarship opportunities, and financial aid eligibility.

Courses on the Dual Enrollment Approved Course List are available on SPC campuses and some local high school campuses. Dual enrollment courses that are offered by a credentialed instructor at a student's high school must be taken on the high school campus.

To take Dual Enrollment classes through SPC during the first semester, students must:

1. See their school counselor to see if they qualify
2. Get directions to obtain SPC ID number (share with counselor).
3. Take the PERT, SAT, or ACT prior to obtaining permission to take dual enrollment courses.
4. Students eligible for on-campus Dual Enrollment courses will have an opportunity to register for on-campus dual enrollment courses during the in-house registration in the month of February.
Please see your School Counselor for more information regarding eligibility requirements for Dual Enrollment.
5. Obtain a completed Dual Enrollment Permission Form (for off campus classes.)
6. Register for the class(es) through the SPC Dual Enrollment Office (for off campus classes) no later than one week after the last day of school.

**To be eligible to take an academic dual enrollment course a student must have a minimum unweighted cumulative GPA of 3.0. To be eligible to take a career dual enrollment course, a student must have a minimum unweighted cumulative GPA of 2.0.*

EARLY COLLEGE/EARLY ADMISSION:

Students who are interested in being a full-time Early College or Early Admission student must complete the application and submit to the Early College Program office by **2:00pm on February 10, 2021**.

Full-time Early College or Early Admissions students must follow steps 1 – 3 listed above to enroll. Interested students should visit SPC website – www.spcollege.edu for more information.

DUAL ENROLLMENT AT PINELLAS TECHNICAL COLLEGE

CLEARWATER CAMPUS:

Accounting Operations	Cosmetology	Medium/Heavy Duty Truck & Bus (Diesel)
Administrative Office Specialist	Digital Design	Network Support Services
Automotive Service Technology	Electricity	Web Development
Cabinetmaking	Electronic Tech.	
Commercial Foods/Culinary Arts	Machining Technologies	
Computer Systems & Info. Tech.	Medical Administrative Specialist	

ST. PETERSBURG CAMPUS:

Automotive Collision Repair & Refinishing	Facials Specialty	Professional Culinary Arts and Hospitality
Automotive Service Technology	Medical Administrative Specialist	Television Production Technology
Building Construction	Nails Specialty	Welding Basic

Drafting	Plumbing Technology	

Dual enrollment students will be present in the same class as adult students; therefore, a higher level of maturity, independence, and initiative is important for student success.

Students who are registered for dual enrollment courses will have three grades per semester recorded on their high school transcript. Therefore, students will need to work hard and commit to academic excellence as they perform at their best with the required PTC coursework. Please keep in mind that the resulting grades can greatly impact postsecondary education opportunities and/or scholarship opportunities.

In order to take Dual Enrollment classes at PTC during the fall and spring semester, students must:

- Be at least 16 years old and entering their junior or senior year in high school
- Have a minimum cumulative unweighted GPA of 2.0, or 2.5 GPA for medical-related programs
- Show responsibility through high school attendance and behavior.
- Obtain a Dual Enrollment Application from their high school counselor.
- Return completed application to their high school counselor, with all necessary signatures. *Once the PTC counselor has received the application, the student will be contacted regarding a shadowing date.

For more information, regarding dual enrollment, please contact the Clearwater campus at (727) 538-7167 or the St. Petersburg campus at (727) 893-2500.

There will also be virtual links for each content available on the Canvas Dashboard for our MyPCS students to access. We have great teachers that work with our students to support them or just give them a quiet place to get work done. If your student is currently in any credit recovery classes through APEX, this is also their chance to take tests and quizzes.

SENIOR FEES: CLASS OF 2021

Dear Seniors and Parents,

Below you will find a breakdown of the senior dues (fees) for this school year. We currently have about 400 seniors listed as graduating, so we used that as the main number in determining individual costs. All information will be posted to the Class of 2021 TEAMS account. This will include information from Herff Jones on how to order "extras" such as class ring or graduation announcements. Only MANDATORY items are included in your fees. There will be a measurement form posted on the TEAMS account and that will be the way that we place your order. Please make sure you fill it out electronically and submit it.

Our graduation date has been set. It will be at Tropicana Field on Tuesday, June 1st at 7:30 AM.

You can bring in exact cash or check made out to SPSHS. The easiest way to pay, will be to use the direct link that will be posted on the school website. I will also post it on the Class of 2021 TEAMS account. The online option will allow you to pay by credit card.

Your dues cover all MANDATORY costs. These costs include, but aren't limited to the following: (any items listed below are for the graduates to keep)

- Cap, Gown and one tassel
- Medallion to be worn at graduation
- Diploma Cover
- Yard Sign
- Senior Gift
- Graduation Ceremony

If you pay any time after the start of January, the cost will go up to \$120.00. Any questions please speak to Mrs. Anderson in room 124 or by email at andersonand@pcsb.org.

We are tentatively scheduling a date for Universal Grad Bash based. Information will be coming regarding that date if approved.

Senior Class Sponsor

CHECK OUT PROCEDURES

Parents requesting early check-out of their student can send an email to middletonja@pcsb.org or call the school for the student to get a Permit to Leave slip. This alleviates any wait time for you when you come to pick up your student. If you come in, please understand that we do need time to get your student for you. Please allow at least 30 minutes. This will give the school the opportunity to look up the student's schedule and send for them to meet you in the front office. Parents, it is important that we check the driver's license of anyone picking up your student early from school. This will be done to ensure the safety of your child. After 1:00pm there will be no permission to leave slips written, due to the time constraints on using the proper method of getting your child from class.

STUDENTS' DELIVERY OF FLOWERS, BALLOONS, ETC.

With safety in mind, the school cannot accept any type of flower arrangement, balloon bouquets or balloon arrangements for delivery to students. Many times, these gifts are in glass containers which can be broken. In addition, they cause class disruption. Please do not send any type of delivery to students here at school. They will be refused and sent back to the sender. Your understanding and cooperation are greatly appreciated.

DROP-OFF & PICK-UP PROCEDURES

Thank you to all the parents who are using the Devil's Drive Car Line to drop your students off in the morning and to pick them up in the afternoon. Student safety is our number one priority and using this designated area ensures that all students are out of harm's way. Please DO NOT enter the student parking lot to drop off your child. Students who are dropped off in the student parking lot will receive a detention. If you want to avoid the car line in the morning, you may want to consider turning on to 7th Avenue from 28th Street and dropping students off along the sidewalk on 7th Avenue to cross Devil's Drive at the crosswalk by Portable 1. We do not recommend dropping students off across the street from the school and please do not stop on 5th Avenue and let your child out of the car. **The safe drop-off and pick-up locations are the car circle by Devil's Drive on 27th St. off 5th Ave. as well as 28th St. and 7th Ave.** Thank you so much for your cooperation! Working together we can keep St. Pete High safe!
