Students Working Against Tobacco

ALL STUDENTS INVITED -6th, 7th, and 8th

S.W.A.T.'s Mission...

SWAT is Florida's statewide youth organization working to mobilize, educate and equip Florida's youth to revolt against and deglamorize the Tobacco Industry. **SWAT** is a united movement of empowered youth working towards a tobacco free future. Meetings are held in Mrs. Santangelo's room. You will learn facts about tobacco and ways to stay tobacco free and the truth about e-cigarettes. We hold monthly meetings, organize school and community wide events. These events are organized by the Florida Health Department and allow students an opportunity to work on a larger platform against tobacco. SWAT is made possible with the support of Tobacco Free Florida and the Florida Department of Health.
