

# Feeling sick? Need a physical? Have health questions?

Get a PASS from your teacher or guidance and come to the clinic.

The goal of the School Based Health program is to assess, protect and promote the health of students, helping to assure they are healthy in the classroom and ready to learn.

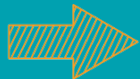

THINK  
HEALTH

**GYT**  
GET YOURSELF TALKING  
GET YOURSELF TESTED

## All services provided at no cost at the following locations:
