

2018 RELAY FOR LIFE OF COUNTRYSIDE HIGH SCHOOL:  
TUNING OUT CANCER!

Relay for Life is a life changing event held in cities and countries across the globe. This event raises awareness, fundraises for The American Cancer Society, celebrates survivors, and remembers those we have lost to cancer. Countryside High School hosts a unique, student-led Relay for Life fundraiser every spring. The fundraiser is held on our very own football field and is an overnight event for students, faculty, and chaperones. It is open to the public from 6 P.M. until 11 P.M, beginning with a recognition of cancer survivors in our Countryside community. We encourage students in ALL grade levels to participate and contribute to this amazing cause! Students are able to create their own teams of friends or join teams already created. Relay for Life committee positions need to be filled with eager and motivated students in any grade. For the 2017-2018 school year we will be "Tuning Out Cancer" and teams will be formed with themes of favorite bands and music artists.

Interested in joining the Leadership Committee, forming a team, joining a team, or registering a survivor? Contact the 2018 Relay for Life Committee Leads for more information about this event!
