School Starts
August 12th

John Hopkins Middle School Vision Statement:
100% student success by modeling Trojan PRIDE expectations daily.

This option is open for rising 7th graders!
The Health course is open year round and can be registered for at any time, they can enter their own selected start date.

Additional Notes:

- Health Education is REQUIRED for ALL 7th graders.
- Health online is NOT REQUIRED (it is an parental options / NO SCHOOL can mandate this online option). If this option is used the prefer completion window is during the spring or summer prior to the 7th grade year).

The mission of John Hopkins Middle School is to create a population of global citizens who are principled, caring, reflective, and strong communicators.
