Summer/ Fall 2021

Every year, our annual **Pi Day Celebration**, occurred in Ms. Holly Heintz's room, 204. On March 14th, the students completed activities, alone and in small groups, and ate apple pie to commemorate the day. This was to be the last "Pi Celebration" in the Tomlinson building. As was announced by Mr. Mark Hunt, Executive Director of CTAE, at the fall faculty meeting, the building across from Mirror Lake, in downtown St. Petersburg, would be closing as of December 17, 2021. Teachers and students alike would begin the year 2022 anew in different facilities all over Pinellas County. The spirit of Tomlinson will still live on—it'll just be housed in different buildings.

Who's Going Where???

While many of the ESOL students will be registering at St. Pete Pinellas Technical College on 34th Street for the new semester (following two of our current teachers—Ms. Ivette Correa and Mr. Mike Samonek), the ABE-GED students will be moving to whichever school is closest to where they live; there are many to choose from: Lakewood Community (to join Ms. Cheryl Cockrell, Ms. Brenda Gullick, Ms. Quethlyn, and Ms. Toby Isaacson), SPC Midtown (to join Mr. Patrick Jennings and Ms. Barbara Harris), Sanderlin (to join Ms. Sharyn Jacob), Urban League (to join Ms. Beth Bridges), and SPC Gibbs Campus, (to join Mr. Bruce Hewitt). No matter which campus you end up on, we want to be sure we are serving your needs. Give us a call if you need anything—727-893-2955.
