These are the steps students should be committed to follow each day to ensure they are doing their best to reach their great potential.

1. Student should log in to Teams each day using their R2D2 number.
2. Answer the daily question from their teacher for attendance purposes.
3. Check messages from your teacher for each class.
4. Look for assignments in Teams or Focus as directed by your teacher.
5. When assignments are completed, upload them or email them to your teacher.
6. Participate in the scheduled Live Chats.

Parents and students can use the Smart Guide for Accessing Teams to help you as you log on and get familiar with Microsoft Teams and Digital Learning.

If you need assistance with technology issues, please call the help desk at 727-588-6060.

Visit our Facebook Page, SMS Website, or PCS Digital Learning Page to stay up to date on Digital Learning.
