Schedule Change Policy

1. **Valid reasons** for a schedule change may include: failing a required course, passing a previously failed course, lacking a graduation requirement, and lacking the proper prerequisite.
2. **Elective changes most often cannot be honored** due to teacher unit allocation and the Class Size Reduction Amendment.
3. Schedule change requests will **NOT** be considered for the purpose of teacher preference.
4. A change request may require the entire schedule to be altered to meet the request you have made, including different teachers and different class periods.
5. Once a schedule has been changed, it cannot be changed back again to the original schedule.
6. The student is responsible for all class work from the beginning of the semester, regardless of the date the student entered the class.
7. Failure to complete the summer reading requirement for Honors and AP classes does not constitute a valid reason for a schedule change, and it is a year-long commitment.
8. **After the 3rd day of each semester, all schedule change requests must be approved by the School Counselor and Assistant Principal for Curriculum.**

I am aware of the programs offered to my child at Dunedin High School, and I agree with his/her choices as indicated. **I have also read and understood the schedule change policy.**
