Dear Dunedin Middle School Parents/Guardians:

Today, the Dunedin High School counselors and students met with your child and presented the attached information. As we begin to prepare for the 2019-2020 school year, we spoke to students about the great programs we offer, clubs, sports, the importance of getting involved, along with electives and academic expectations. Your child completed the attached elective course request sheet. We ask that you review their choices and return the form to your child's Social Studies teacher by Friday, November 16<sup>th</sup>.

These request sheets help us in planning ahead. We want to make sure our course offerings match students' interests and needs. To review our full course descriptions, please follow the directions below. We hope you can help your child make choices that will enhance their academic success at Dunedin High School.
