Bayside High School Graduation Information and Update

May 26th, 2020

Seniors - Cap and gown pick up is Wednesday, Thursday and Friday this week from 9am to 2pm in the car circle in front of the school for those of you who ordered one. Please bring $10 cash for your diploma cover. All seniors need to drop off all textbooks, library books and computers during this same time. If you are a senior participating in credit recovery so you can still graduate by August 11, and you checked out a computer from the school district, please use it during the summer to complete your APEX courses. Early graduates (students who graduated during the first three quarters) should come on Friday so we can also give you your diploma. No other diplomas will be given out until grad checks are complete. As soon as graduation plans are finalized (whether in person or virtual), we will communicate that information with you. We look forward to seeing everyone and Congratulations to Bayside’s Class of 2020!

Dawn Coffin, Ed.D.

Principal, Bayside High School
