VISION

100% STUDENT SUCCESS

MISSION

EDUCATE AND PREPARE
EACH STUDENT FOR
COLLEGE, CAREER AND
LIFE.

CORE VALUES

- COMMITMENT TO CHILDREN, FAMILIES AND COMMUNITY
- RESPECTFUL AND CARING RELATIONSHIPS
- CULTURAL COMPETENCE
- INTEGRITY
- RESPONSIBILITY
- CONNECTEDNESS

SUPERINTENDENT'S MESSAGE

I am proud and thankful for the amazing students, families, and teachers who make Pinellas County Schools more than just a place to learn, but a lively community where every child can reach their full potential.

This school year, we are soaring to new heights, proudly maintaining our “A” district status for the second year in a row. Our dedication to each student’s success remains strong. We are not just providing an education, we are sparking curiosity, nurturing creativity, and laying a foundation for lifelong learning. Whether your child attends a neighborhood school or one of our specialized programs, our goal is to create an environment where every child can succeed

We offer 89 District Application Programs (DAPs), including magnet and fundamental schools, providing a diverse range of educational experiences tailored to meet each student’s unique needs. These programs go beyond traditional learning. They are designed to ignite interest, develop individual talents, and promote academic growth through innovative themes and personalized teaching methods.

Our magnet schools continue to shine on the national stage, earning recognition for their excellence:

- **Magnet Schools of America Region III Teacher of the Year:** Pamela Richardson, Magnet Coordinator at the Conservatory of the Arts at Sandy Lane Elementary School
- **Magnet Schools of America Region III Principal of the Year:** Shannon Brennan, Principal of Mildred Helms IB World School
- **Magnet Schools of America Merit Awards:** A record 25 programs honored for their commitment to excellence in academics, innovative curriculum and professional development, diversity, leadership, and parent and community engagement.

I encourage you to take the time to explore the many educational opportunities available in Pinellas County Schools. From our District Application Program Fairs to Discovery Nights, there are numerous ways to learn about the programs that can best support your child’s journey.

This guide will help you find the ideal fit for your child’s academic needs and stay informed about important deadlines and application details. Together, we can unlock the limitless potential of every student in Pinellas County. Thank you for being part of this journey with us. Let’s make this year one of growth, inspiration, and success for all our students.

Sincerely,

SUPERINTENDENT KEVIN K. HENDRICK

APPLICATION PROCESS

UNLOCK YOUR POTENTIAL:

Discover a world of possibilities with Pinellas County Schools District Application Programs, where your child’s unique interests, talents, and learning styles are nurtured from kindergarten through 12th grade. Our diverse programs offer tailored educational pathways designed to inspire and challenge students at every level. Simply complete the online application process to apply for a spot in one of our innovative District Application Programs.

STEP ONE:

DISCOVER YOUR OPTIONS

- Review this guide and visit pcsb.org/dap to learn about the diverse offerings of our District Application Programs.
- Discover the opportunities at one of our DAP Fairs, where you can find programs tailored to your child’s unique interests, talents, and learning styles.
- Attend a Discovery Night or contact individual programs to schedule a tour. For high school students, set up a Shadowing Opportunity to ensure the program is the perfect fit for your child’s educational journey.

STEP TWO:

APPLY ONLINE JANUARY 6 – 16 BEFORE 5:00 PM

- To apply, go to focus.pcsb.org to create an account or sign-in to your FOCUS Parent Portal account.
- Be sure to link your student to your account.
- Select the drop-down menu next to your child’s name and select “District Application Programs 2026”. You can select up to five programs.
- Non-PCS students or inactive students must submit program eligibility documentation for programs with entrance criteria to the Program Coordinator by January 23, 2026.

STEP THREE:

REVIEW APPLICATION STATUS AND RESPOND FEBRUARY 10-20 BEFORE 5:00 PM

- Go to focus.pcsb.org to sign-in to your FOCUS Parent Portal account.
- You may accept or decline a pending offer or view your current waitlist number.
- If you do not accept an offer during this period, your child’s invitation(s) will no longer be valid.
- When you accept any ONE program’s invitation, you are **removed from all other wait lists.**
- Please note: Once a selection is made, it is final. It cannot be changed.

- Thurgood Marshall Fundamental Middle School

CERTIFIED NATIONAL DEMONSTRATION MAGNET SCHOOL

- Douglas L. Jamerson, Jr. Elementary

DAP PRIORITIES

Most priorities are ONLY available during the initial application and acceptance period. Priorities ONLY apply to your first choice program. Priorities DO NOT apply to late applications except military transfers and newly hired full-time staff at the school.

MILITARY TRANSFER PRIORITY

Military Transfer Priority is given to the dependent children of active-duty military personnel. By state law, dependent children of active-duty military personnel transferring from another Florida district, state or foreign country are given priority **at the time of their initial transfer** to the school district.

FEEDER PATTERN PRIORITY

Students attending certain programs are given priority to attend related programs at the next level. For example, fundamental students receive priority for a seat in a fundamental school at the next level. To receive this priority, an application with the program selected as the first choice must be submitted during the initial application period and accepted during the acceptance period. See program descriptions for feeder pattern priorities.

SIBLING PRIORITY

Students are given priority if they meet eligibility criteria and they have a sibling who will be attending the program at the same time. If a student attends a school-within-a-school, sibling preference does not extend to the traditional portion of a school or to other programs at that school. Exceptions exist for Elisa Nelson Elementary, Midtown Academy, John Hopkins Middle and Thurgood Marshall Middle.

PROFESSIONAL COURTESY

Students are given priority if their parent is a full-time staff member at the school to which they are applying.

FULL-TIME BENEFITS ELIGIBLE SCHOOL BOARD EMPLOYEE PRIORITY

Five percent of seats after military, feeder pattern, sibling, and professional courtesy will go to full-time benefits eligible Pinellas County School Board employees. Transportation is not provided for professional courtesy priorities unless the family resides in the geographic transportation area for the program.

PROXIMITY PRIORITY

Proximity priority will be applied to the remaining available seats for kindergarten, sixth and ninth grade applicants after feeder, sibling, professional courtesy and full-time benefits eligible school board employee priorities have been applied. Proximity means the distance a student lives from the school and all proximity distances are computed to the nearest hundredth of a mile. For more information, refer to pcsb.org/DAP.

ARTERIAL TRANSPORTATION

Arterial transportation is provided via buses that operate on main roads with limited stops for students in District Application Programs who live more than two miles from their school within the transportation area of the program. The following exceptions apply:

- **Application Area Programs:** Arterial transportation is limited to designated transportation areas within program application areas.
- **Azalea Middle:** Transportation is provided to students living within the boundaries of the South County middle school application area. Mid-county transportation is not available.
- **Fundamental Schools:** Parents must provide transportation. Arterial transportation will be provided in north county for Dunedin High and in south county for Thurgood Marshall Middle and Boca Ciega High.
- **Gulf Beaches Elementary:** Families living in the school zones for Azalea, Bear Creek, or 74th Street Elementary Schools are eligible for transportation.
- **Jacobson Technical High:** Transportation is available for students living within the mid-county high school application area, except for the veterinary program.
- **Kings Highway Elementary:** Families in the school zones for Belleair, Dunedin, Sandy Lane, or Skycrest Elementary Schools are eligible for transportation.
- **Students with IEPs or Section 504 Plans:** Students with specialized transportation needs, as indicated in their IEP or Section 504 plan, will receive transportation to their zoned school. If a parent chooses a District Application Program, arterial transportation will be provided consistent with the transportation offered to non-disabled students unless the program is housed at their zoned school.

FREQUENTLY ASKED QUESTIONS

CAN I APPLY TO ANY OF THE PROGRAMS?

No, some programs have specific application areas which are geographic zones that determine eligibility based on where students live. These areas are usually based on residential addresses, though some programs have unique application boundaries. Many programs do not have application areas and are available to students countywide. For detailed information, please refer to the program descriptions, Applications Areas on the back page, or the District Application Programs Procedures Manual at pcsb.org/dap.

MAY I APPLY TO MORE THAN ONE PROGRAM?

Yes, you may apply to up to five programs, ranked in order of preference (with your first ranked choice as your top preference). Priority preferences only apply to your first ranked program. For specific entrance criteria, refer to the District Application Programs Policy Manual available at pcsb.org/dap.

ARE APPLICATION AREAS THE SAME AS TRANSPORTATION AREAS?

In most cases, yes. However, there are some exceptions. For more information, please see program descriptions and page five.

IS THERE ANY ADVANTAGE TO APPLYING EARLY IN THE APPLICATION PERIOD?

No, applications are NOT processed on a first-come, first-served basis. All applications submitted during the application period are randomized. However, applying early gives you time to address any questions or technical issues that may arise.

IF I APPLY TO A MAGNET OR FUNDAMENTAL PROGRAM, DOES MY CHILD LOSE THE SEAT AT THE CURRENT SCHOOL?

No, applying to a magnet or fundamental program during the initial application period does not affect your student's seat. The current seat is only surrendered if you receive and accept an invitation to a different program for the following year.

WHAT IF ONE OF MY CHILDREN GETS AN OFFER, BUT THE OTHERS DID NOT?

If you have multiple children who applied to the same school that you ranked as your top priority, and one child was accepted while the others were not, you can claim the **Newly Invited Sibling Priority** during the week of February 23-27, 2026. This priority will move the children who were not accepted higher on the waiting list.

Please note that while this priority improves their position, it does not guarantee that the siblings will be offered a seat.

WILL I RECEIVE ANY OFFICIAL WRITTEN NOTIFICATION IF MY CHILD IS ACCEPTED INTO ONE OF THESE PROGRAMS?

No, you will not receive a written notification. To find out which program invited your child, you must log into the Focus Parent Portal during the acceptance period. From there, you can either accept the invitation or take no action to remain on waitlists.

WHAT HAPPENS IF MY CHILD IS INVITED TO A PROGRAM, BUT I DO NOT LOG BACK INTO THE FOCUS PARENT PORTAL DURING THE ACCEPTANCE PERIOD?

If you do not log in and accept the invitation during the designated acceptance period, your child's invitation will no longer be valid, and the seat will be forfeited. To secure your child's spot, you must log into the Focus Parent Portal to accept the invitation within the specified dates.

IF I APPLY TO ONE OF THESE SCHOOLS AND ACCEPT AN INVITATION, CAN I CHANGE MY MIND AND TRY TO GET INTO A ZONED SCHOOL INSTEAD?

You may, but there is no guarantee that a seat will be available in the zoned school. Students entering kindergarten, sixth, or ninth grade are assigned to their zoned school in most cases. Students in other grades will be assigned based on seat availability.

CAN MY CHILD STAY ON A WAITLIST IF NO INVITATION IS RECEIVED?

Your child remains on the waitlist until the expiration date for all programs they applied to until they accept an invitation to one of those programs. Accepting an invitation automatically removes your child from ALL other waitlists.

WHAT CAN I DO IF I HAVE A QUESTION OR PROBLEM WITH THE APPLICATION PROCESS?

For technical questions about the online system, parents may contact the Tech Help Center at (727) 588-6060 or email help@pcsb.org.

ARTS & JOURNALISM

CENTER FOR COMMUNICATIONS, JOURNALISM & MULTIMEDIA STUDIES

Melrose
Application & Transportation Area: South of Ulmerton
1752 13th Ave. S., St. Petersburg
727.893.2175 or www.pcsb.org/melrose-es
Feeder Pattern Priority to John Hopkins Middle

This program equips students with valuable life skills that will serve them no matter what they pursue in the future. Students become confident writers, trained photographers, effective communicators, and informed, involved citizens as they explore all aspects of evolving media. Students develop confidence through print, podcasting, and TV publication of their work.

CENTER FOR THE ARTS & INTERNATIONAL STUDIES

Perkins
Application & Transportation Area: Gulf to Bay South
2205 18th Ave. S., St. Petersburg
727.893.2117 or www.pcsb.org/perkins-es
Feeder Pattern Priority to John Hopkins Middle

This internationally recognized visual and performing arts program immerses students in the exploration of cultures through vocal and instrumental music, theater, art, dance, and Spanish. Our school features many visual arts and music classrooms, a theater, dance studio, and film production space.

CENTER FOR CULTURAL ARTS

Midtown Academy
Application & Transportation Area: ES South
1701 10th St. S., St. Petersburg
727.893.1358 or www.pcsb.org/midtown
Feeder Pattern Priority to John Hopkins Middle

Midtown Academy provides an engaging, hands-on, minds-on environment expanding beyond classrooms into the arts community through museum experiences and cultural events. Students are exposed to cultural arts and gifted strategies through two art classes, two music classes, and a Creative Makerspace experience each week. Small learning clusters explore and discover interests through schoolwide enrichment.

CONSERVATORY FOR THE ARTS

Sandy Lane
Application & Transportation Area: Ulmerton North
1360 Sandy Ln., Clearwater
727.469.5974 or www.pcsb.org/sandylane-es
Feeder Pattern priority to Tarpon Springs Middle

Sandy Lane focuses on student experience and achievement by incorporating the arts with other subjects to inspire rigorous learning through critical thinking, creativity and problem solving. All scholars receive dance, music and visual arts with extended arts programs for grades 3-5.

DUAL LANGUAGE & LITERACY

DUAL LANGUAGE PROGRAM

This enriched dual language program expands students’ horizons by developing strong bilingual and biliteracy skills with bicultural awareness. Our 50/50 curriculum model provides equal English and Spanish teaching of different subjects. Integrated cultural studies and events in art, music, physical education, Bilingual Village, International Night, and Schoolwide Enrichment Model provide extended learning opportunities.

Bardmoor

Application & Transportation Area: ES Mid
8333 Magnolia Dr., Seminole
727.547.7824 or www.pcsb.org/bardmoor-es
Accepting K, 1st, and 2nd grade applications only for the 26-27 school year.

★Garrison-Jones

Application & Transportation Area: ES North
3133 Garrison Rd., Dunedin
727.469.5716 or www.pcsb.org/garrison-es
Feeder Pattern Priority to Oak Grove Middle

CENTER FOR LITERACY INNOVATION*

The Center for Literacy Innovation provides a structured and innovative approach to teaching reading and literacy where students feel empowered and challenged in their learning. Designed for students with dyslexia or characteristics of dyslexia, this program provides a systematic, multi-sensory, structured approach to literacy instruction with opportunities for reading, writing and math remediation, and schoolwide enrichment. Screening required for entrance.

Elisa Nelson

Application & Transportation Area: Ulmerton North
415 15th St., Palm Harbor
727.298.2788 or www.pcsb.org/nelson-es

★Midtown Academy

Application & Transportation Area: Ulmerton South
1701 10th St. S., St. Petersburg
727.893.1358 or www.pcsb.org/midtown

FUNDAMENTAL

Pinellas County’s Fundamental Programs offer students a family-oriented, structured environment. Parent-teacher-student commitment to a quality education enables growth in the areas of responsibility and self-discipline. Among the schools’ requirements are daily homework, dress code, and monthly parent meetings. All Elementary Fundamental programs have countywide application areas. Transportation is not provided. Feeder pattern priority to any Fundamental Middle School.

Bay Vista Fundamental

5900 Dr. Martin Luther King Jr. St. S., St. Petersburg
727.893.2335 or www.pcsb.org/bayvista-es

Curtis Fundamental

531 Beltrees St., Dunedin
727.738.6483 or www.pcsb.org/curtis-es

Lakeview Fundamental

2229 25th St. S., St. Petersburg
727.893.2139 or www.pcsb.org/lakeview-es

Madeira Beach Fundamental (K-8)

591 Tom Stuart Causeway, Madeira Beach
727.547.7838 or www.pcsb.org/mb-ms

Pasadena Fundamental

95 72nd St. N., St. Petersburg
727.893.2646 or www.pcsb.org/pasadena-es

Tarpon Springs Fundamental

400 E Harrison St., Tarpon Springs
727.943.5508 or www.pcsb.org/tarponfund-es

GIFTED STUDIES

CENTER FOR GIFTED STUDIES*

The Centers for Gifted Studies offer full-time gifted services to eligible students in grades 1-5. Advanced, integrated, and accelerated gifted curriculum is used daily with the Florida Gifted Frameworks as the foundation to provide gifted services. Special focus is placed on critical and creative thinking as well as social-emotional development. Entrance Criteria: qualifying IQ score and copy of the psychological report or active Educational Plan.

Elisa Nelson*

Application & Transportation Area: ES North
415 15th St., Palm Harbor
727.298.2788 or www.pcsb.org/Nelson-ES
Feeder Pattern Priority to Dunedin Highland Middle

★Midtown Academy*

Application & Transportation Area: ES South
1701 10th St. S., St. Petersburg
727.893.1358 or www.pcsb.org/midtown
Feeder pattern priority to Thurgood Marshall Middle or John Hopkins

Ridgecrest*

Application & Transportation Area: ES Mid
1901 119th St. N., Largo
727.588.3580 or www.pcsb.org/ridgecrest-es
Feeder Pattern Priority to Morgan Fitzgerald Middle

HEALTH & WELLNESS

CENTER FOR THE CREATIVE ARTS & WELLNESS

Lakewood

Application & Transportation Area: ES South
4151 6th St S., St. Petersburg
727.893.2196 or www.pcsb.org/lakewood-es
Feeder pattern priority to Mangrove Bay Middle

Lakewood Elementary Center for the Creative Arts and Wellness facilitates and accelerates learning through habits of the body, mind, and heart. Scholars learn to care for the body through fitness, nutrition, culinary arts, movement, dance, and theatre; the mind through rigorous academic tasks, self-regulation, and mindfulness; and the heart through development of healthy coping strategies, a sense of well-being, connectedness, and caring relationships.

INTERNATIONAL STUDIES

IB Primary Years Programme (PYP) is a transdisciplinary approach focusing on stimulating curiosity and inquiry as students use a conceptual lens to build deeper understanding of real-world issues. The IB learner profile’s ten attributes develop internationally minded citizens. Spanish, art, and PE further develop imagination, communication, creativity and original thinking as students become lifelong learners.

★James B. Sanderlin K-8, an IB World School

Application & Transportation Area: South of Ulmerton
2350 22nd Ave. S., St. Petersburg
727.552.1700 or www.pcsb.org/sanderlinib
Feeder Pattern Priority to James B. Sanderlin Middle Years Programme

McMullen-Booth, an IB Candidate School

Application & Transportation Area: ES North
3025 Union St., Clearwater
727.669.1800 or www.pcsb.org/booth-es
Feeder Pattern Priority to Safety Harbor Middle Years Programme

★Mildred Helms, an IB World School

Application & Transportation Area: ES Mid
561 S. Clearwater-Largo Rd., Largo
727.588.3569 or www.pcsb.org/mildred-es
Feeder Pattern Priority to Largo Middle Years Programme

MONTESSORI

★Gulfport Montessori

Application & Transportation Area: ES South
2014 52nd St. S., Gulfport
727.893.2643 or www.pcsb.org/gulfport-es

The Montessori Method cultivates the child’s natural desire to learn by incorporating uniquely-designed materials into the standards based curriculum using group lessons and work plans. The Montessori child achieves a holistic education through sensorial and practical life studies. Grace and courtesy lessons teach responsibility, respect, and cooperative learning in all our classroom communities.

SCIENCE, TECHNOLOGY, ENGINEERING, & MATHEMATICS

CENTER FOR ADVANCEMENT OF THE SCIENCES, SPANISH & TECHNOLOGY

★ Bay Point

Application & Transportation Area: ES South
5800 22nd St. S., St. Petersburg
727.552.1449 or www.pcsb.org/baypoint-es
Feeder Pattern Priority to Bay Point Middle

Utilizing PLTW Launch, our program taps into students' exploratory nature and encourages them to discover interests in science, technology, and mathematics. Students will grow to understand their roles in a global society through Spanish language. Students are highly engaged in hands-on activities in our computer lab, science lab, and Spanish lab.

CENTER FOR DIGITAL LEARNING & STEAM

★ Kings Highway

Application & Transportation Area: Ulmerton North
1715 Kings Highway, Clearwater
727.223.8949 or www.pcsb.org/kings-es
Feeder Pattern Priority to Tyrone Middle

Our digital personalized learning focus ensures that lessons are geared to each student's individual needs. Critical thinkers are created through dynamic lessons and activities integrating STEM principles with the arts for a more holistic understanding of our world. Technology-rich environment includes: kindles, coding, Production Lab, STEAM lessons, Garage Band Music Clubs, and three STEM clubs.

CENTER FOR INNOVATION & DIGITAL LEARNING

Gulf Beaches

Application & Transportation Area: Gulf to Bay South
8600 Boca Ciega Dr., St. Petersburg
727.893.2630 or www.pcsb.org/beaches-es
Feeder Pattern Priority to Tyrone Middle

Students are inspired and empowered to learn in a blended technology and project-based environment that focuses on inquiry, research, collaboration, presentation, and reflection. Critical thinking is advanced through our robust arts programs and after-school enrichment offerings. Our technology-rich environment includes iPads, Mac laptops, Dell tablets, robotic and coding devices, 3D printers, and CNC machines.

CENTER FOR MATHEMATICS & ENGINEERING

★ Douglas L. Jamerson Jr.

A Magnet Schools of America Nationally Certified Demonstration School

Application & Transportation Area: Ulmerton South
1200 37th St. S., St. Petersburg
727.552.1703 or www.pcsb.org/jamerson-es
Feeder Pattern Priority to Azalea Middle or Bay Point Middle

Jamerson offers a unique STEAM curriculum created by teachers. Students are provided opportunities to work in diverse teams completing design challenges that integrate all content areas. The hands-on approach allows students to develop habits of mind and perseverance. The STEAM focus is infused through a strong music and art program.

ARTS & JOURNALISM

CENTER FOR COMMUNICATIONS, JOURNALISM & MULTIMEDIA

★ John Hopkins

Application & Transportation Area: South of Gulf to Bay
701 16th St. S., St. Petersburg
727.893.2400 or www.pcsb.org/hopkins-ms
Feeder Pattern Priority for students in Melrose CJAM

This program equips students with valuable life skills that will serve them no matter their future pursuits. Students become confident writers, trained photographers, effective communicators, and informed, involved citizens as they explore all aspects of evolving media. Students develop confidence through print, podcasting, and TV publication of their work.

CENTER FOR THE ARTS

★ John Hopkins

Application & Transportation Area: South of Gulf to Bay
701 16th St. S., St. Petersburg
727.893.2400 or www.pcsb.org/hopkins-ms
Feeder Program Priority for students from Midtown Academy and Perkins Elementary

The Center for the Arts offers opportunities to focus on dance, instrumental music, theatre, visual art, or vocal music. Students receive high quality instruction in their artistic area. Students benefit from "focus classes" in their chosen art while receiving challenging and engaging core curriculum.

CAMBRIDGE CONSERVATORY FOR ACADEMICS & ARTS^o

★ Tarpon Springs

Application & Transportation Area: MS North
501 N Florida Ave., Tarpon Springs
727.943.5511 or www.pcsb.org/tarpon-ms
Feeder Pattern Priority for students in Sandy Lane's Conservatory for the Arts

Tarpon Springs Middle School Cambridge Conservatory for Academics & the Arts creates a unique learning environment for students to explore, develop and apply their leadership skills in a high-level performing arts program. The conservatory combines leadership training, character education, performing/visual arts instruction, Pre-AICE Cambridge core academics, and technology into a program that prepares tomorrow's leaders today.

^o Recommended academic profile

DUAL LANGUAGE

DUAL LANGUAGE PROGRAM

Oak Grove Middle

Application & Transportation Areas: MS North and Mid
1370 S. Belcher Rd., Clearwater
727.524.4430 or www.pcsb.org/oakgrove-ms
Feeder Pattern Priority for students from Garrison-Jones

The Spanish Dual Language Program empowers students with language enrichment opportunities to successfully become bilingual, biliterate, and bicultural members of a global society. The two-way dual language program addresses students' educational needs by providing Integrated English and Spanish Instruction. Specific content areas will be taught in English and in Spanish. High school credit foreign language courses on the pathway to obtaining the seal of biliteracy.

FUNDAMENTAL

Pinellas County's Fundamental Programs offer students a family-oriented, structured environment. Parent-teacher-student commitment to a quality education enables growth in the areas of responsibility and self-discipline. Among the schools' requirements are daily homework, dress code, and monthly parent meetings. All Middle Fundamental programs have countywide application areas.

Clearwater Fundamental

LEADERSHIP

CIVIL AIR PATROL

Azalea

Application Area: MS Mid and South
Transportation Area: MS South
 7855 22nd Ave. N., St. Petersburg
 727.893.2606 or www.pcsb.org/azalea-ms

The Civil Air Patrol Cadet Program is an active and vital part of Azalea’s school culture that focuses on character development, respect, responsibility, leadership, safety and risk management, aerospace, and STEM Education. CAP Cadets participate in joint learning opportunities and competitions with aviation and engineering classes including field trips and STEM activities. The Squadron’s guard raises and lowers the flags at the front of the school every and presenting colors at school events.

HEALTH & WELLNESS

Mangrove Bay

Application & Transportation Area: MS South
 501 62nd Ave. NE., St. Petersburg
 727.893.1646 or www.pcsb.org/mangrovebay-ms
Feeder Pattern Priority for students from Lakewood Elementary

The Health and Wellness Leadership Academy develops dynamic, confident leaders through healthy living and service learning. Students receive a project-based curriculum, designed to challenge students to think critically and excel academically. Students will develop skills, knowledge, and practices to lead healthy and fulfilling lives through movement, physical activity, and academic engagement. Required magnet theme courses ensure all students focus on wellness throughout their middle school years.

SCIENCE, TECHNOLOGY, ENGINEERING & MATH

ACADEMY OF ENGINEERING

The Academy of Engineering program uses Project Lead the Way (PLTW) curriculum designed to challenge and engage students' natural curiosity through hands-on experiences and exciting units of study. The design process allows students to apply problem solving skills to solve real-world issues, empowers them to creatively and critically explore, and inspires them to reimagine how they see themselves. A strong foundation is built for further STEM learning in high school and beyond.

Azalea

Application Area: MS Mid and South
Transportation Area: MS South

CENTER FOR ADVANCEMENT OF THE SCIENCES & TECHNOLOGY (CAST)°

★ Bay Point

Application & Transportation Area: MS South
2151 62nd Ave. S., St. Petersburg
727.893.1153 or www.pcsb.org/baypoint-ms
Feeder Pattern Priority for students from Bay Point Elementary and Douglas L. Jamerson, Jr. Elementary

Bay Point's CAST offers students a rigorous academic program in which engineering is naturally integrated through our advanced math, science, world languages, and technology classes for a true STEM experience. Many students compete in science, math, and technology competitions that create a stimulating environment for academic growth and inquiry needed in today's world.

CENTER FOR INNOVATION & DIGITAL LEARNING (CIDL) Tyrone

Application & Transportation Area: South of Gulf to Bay
2375 66th St. N., St. Petersburg
727.893.1819 or www.pcsb.org/tyrone-ms
Feeder Pattern Priority for students from Gulf Beaches Elementary and Kings Highway Elementary

A personalized learning focus ensures that lessons are geared to each student's individual needs. Students engage in dynamic project-based lessons, interactive online activities, and face-to-face lessons that encourage creativity and critical thinking skills. CIDL provides a technology-rich environment with electronic devices for all students.

AGRISCIENCE

VETERINARY SCIENCE

Students study the science of veterinary medicine and work with live animals in a hands-on environment. They learn and develop transferable skills through understanding and demonstration of veterinary assisting elements including planning, management, finance, technical and production skills, underlying principles of technology, labor issues, community issues and health, safety, and environmental issues. Completion of the program provides students the opportunity to take the Certified Veterinary Assistant test through the Florida Veterinary Medical Association.

Richard O. Jacobson Technical

Application & Transportation Area: Gulf to Bay South
12611 86th Ave. N., Seminole
727.545.6405 or www.pcsb.org/techhigh

On-site hands-on experience with livestock and the Veterinary Sciences building housing dogs, cats, rabbits, and pet birds.

★ Tarpon Springs

Application & Transportation Area: Ulmerton North
1411 Gulf Rd., Tarpon Springs
727.943.4900 or www.pcsb.org/tarpon-hs

On-site agility course, doggy day care, and grooming services. On-site surgical suite where students assist veterinarians during live surgery.

ARCHITECTURE & CONSTRUCTION

ACADEMY OF ARCHITECTURE, ROBOTICS & CONSTRUCTION (ARC)

Dunedin

Application: Countywide | **Transportation:** Ulmerton North
1651 Pinehurst Rd., Dunedin
727.469.4100 or www.pcsb.org/dunedin-hs

ARC provides students with opportunities to acquire real-world skills that can be applied to professions associated with architecture, robotics, and construction technologies. Architectural Design provides instruction in Computer Assisted Drawing (CAD) and major architectural design concepts. Robotics engages students in hands-on instruction in concepts and creation of robots that perform a variety of functions. Construction focuses on masonry, plumbing, carpentry, and electrical operations. ARC provides students with engaging ways to interact within their chosen focus area.

CENTER FOR CONSTRUCTION TECHNOLOGIES

St. Petersburg

Application & Transportation Area: HS South
2501 5th Ave. N., St. Petersburg
727.893.1842 or www.pcsb.org/stpete-hs

This program allows students to develop skills in the five construction fields including carpentry, electrical, HVAC, masonry, and plumbing. In grades 9 and 10, students have the opportunity to earn NCCER CORE Certification while learning skills within the five trades. In grades 11 and 12, students choose a construction major and spend three periods per school day attending Pinellas Technical College St. Petersburg. They have the opportunity to earn NCCER certification and up to 900 pre-apprenticeship hours in their major while enrolled in the Center of Excellence, or they may take 3rd and 4th level construction classes at St. Petersburg High School.

CONSTRUCTION TECHNOLOGY

Richard O. Jacobson Technical
Application: Countywide | **Transportation:** HS Mid
12611 86th Ave. N., Seminole
727.545.6405 or www.pcsb.org/techhigh

Building and construction technology offers opportunities to explore careers in the areas of construction, entrepreneurship, and carpentry. The program combines project and problem-based learning with hands-on practice in our large laboratory facility. Upon completion, students can enter the construction industry as carpentry helpers or first year construction workers. Mastery of 70% of all modules is required to obtain the National Center for Construction Education and Research (NCCER) certifications. Students receive 10-hour OSHA training. Topics covered include carpentry and construction basics and drywall work, entrepreneurship, hand and power tool safety, blueprints, plumbing, and masonry.

ELECTRICITY

Richard O. Jacobson Technical
Application: Countywide | **Transportation:** HS Mid
12611 86th Ave. N., Seminole
727.545.6405 or www.pcsb.org/techhigh

The electricity program covers the basics of electricity and basic circuit wiring. Students solve problems and develop a project while engaging in hands-on learning. Mastery of 70% of all modules is required to obtain the National Center for Construction Education and Research (NCCER) certifications. Students receive 10-hour OSHA training. Topics covered include basic wiring, electrical circuits, entrepreneurship, safety, contract wiring, and electronic troubleshooting and repair.

ARTS & JOURNALISM

ACADEMY OF ENTERTAINMENT ARTS (AEA)

★ **Hollins**
Application: Countywide | **Transportation:** HS Mid and South
4940 62nd St. N., St. Petersburg
727.547.7876 or www.pcsb.org/hollins-hs

The Academy of Entertainment Arts provides students a unique and innovative experience that fuses art and technology using pro-level equipment and software. Students can earn Adobe, Unity, and Entrepreneurship industry certifications as they work in film; game design; animation; music production; photography and image design; and branding and entrepreneurship. AEA is designed to be flexible and collaborative, allowing students to pursue multiple areas of interest and work on ambitious, award-winning, multi-disciplinary projects while developing skills and a professional portfolio.

CENTER FOR COMMUNICATIONS, JOURNALISM & MULTIMEDIA (CJAM)

Lakewood
Application: Countywide | **Transportation:** HS South
1400 54th Ave. S., St. Petersburg
727.893.2916 or www.pcsb.org/lakewood-hs

The Center for Communications, Journalism and Multimedia at Lakewood High School is a career academy designed for students with a strong interest in journalism, communications, and technology. Students focus on real-life journalism experiences, building writing skills, photography, videography, and design for publication in print and on the web. Industry certifications are offered in Photoshop, InDesign, Premiere Pro, and Illustrator. This program equips students with valuable interpersonal, professional, and employability skills that will serve them no matter their future pursuits.

COMMERCIAL & DIGITAL ARTS

Richard O. Jacobson Technical
Application: Countywide | **Transportation:** HS Mid
12611 86th Ave N., Seminole
727.545.6405 or www.pcsb.org/techhigh

Commercial and Digital Arts is for creative, career-oriented students interested in taking existing artistic skills to the next level. Tech High provides a design studio to study the spectrum of digital art and graphic design including Adobe Photoshop, Illustrator, and InDesign software. Students create a digital portfolio and have multiple industry certifications and internship opportunities while learning facets of advertising, illustration, art history, typography, branding, package design, outdoor ads, color theory, logos, posters, billboards, t-shirt design, and more.

Magnet Schools of Distinction ★

LEADERSHIP CONSERVATORY FOR THE ARTS (LCA)

★ **Tarpon Springs**
Application: Countywide | **Transportation:** HS Mid and North
1411 Gulf Rd., Tarpon Springs
727.943.4900 or www.pcsb.org/tarpon-hs

This world-class learning center creates a discovery zone for developing instrumental musicians, vocalists, dancers, and artists. This four-year program combines leadership, performing arts, rigorous academics, and technology which prepares today's students for the shift to tomorrow's challenges. Our curriculum provides greater support for technology integration and innovative instructional practices allowing wider and deeper participation in performing arts and service activities. Students who want to develop their talent and leadership skills should apply. Graduates pursue performing arts and academic post-secondary degrees.

PINELLAS COUNTY CENTER FOR THE ARTS (PCCA)*

Gibbs
Application & Transportation Area: Countywide
850 34th St. S., St. Petersburg
727.893.5452 or www.pcsb.org/gibbs-hs

PCCA is modeled after college arts conservatory programs. This four-year program allows students to choose a major area of study in dance, design technology, instrumental music, musical theatre, performance theatre, visual arts, or vocal music. PCCA students receive individualized instruction in their arts area and are able to participate in various performances and exhibitions during their high school career. PCCA trains talented students who are interested in pursuing an arts profession, as well as those interested in postsecondary academic degrees. Students must complete an audition during the application review period to be accepted into the program.

AUTOMOTIVE & MARINE TECHNOLOGIES

AUTOMOTIVE ACADEMY

The Automotive Academy's unique partnership between Largo HS, Northeast HS and Pinellas Technical College (PTC) allows students to be dually enrolled while earning industry certifications in auto maintenance, light repair, brakes, steering and suspension, and electrical and electronics. The Automotive Academy focuses on automotive service and repair careers using proven, innovative, and accepted practices combined with related knowledge and skills. Automotive Academy students are prepared to enter today's workforce or continue their education via apprenticeships, vocational technical schools, and/or college.

MARINE SERVICE TECHNOLOGY

Richard O. Jacobson Technical
Application: Countywide | **Transportation:** HS Mid
12611 86th Ave. N., Seminole
727.545.6405 or www.pcsb.org/techhigh

If you love the water and wish to help others enjoy the beauty of Florida's natural resources, Marine Service Technology is for you! Designed to prepare students for entry-level employment as marine mechanics, our program is aligned to meet current industry needs. Students will learn skills in outboard, inboard, and personal watercraft service as they navigate the marine repair industry. Students will perfect their skills using industry standard tools and machinery in the classroom and laboratory. Marine Electrical certification is available.

BUSINESS MANAGEMENT, TECHNOLOGY & FINANCE

ACADEMY OF FINANCE

Northeast
Application: Countywide | **Transportation:** Ulmerton South
5500 16th St. N., St. Petersburg
727.570.3138 or www.pcsb.org/northeast-hs

The financial services industry is introduced through rigorous, industry-validated curriculum with standards and practices informed by finance experts, business partners, and local and national advisory board members. This college-prep program provides financial career integration using computers, economics, insurance, accounting, banking, and financial planning. Mentors, job shadowing, and internship opportunities are available. Real-world experience working in the on-campus Viking Branch Credit Union is sponsored by Achieva Credit Union with the IRS/ VITA tax return preparation program. QuickBooks certification opportunities are offered.

BUSINESS ENTREPRENEURSHIP TECHNOLOGY ACADEMY°

Gibbs
Application: Countywide | **Transportation:** HS South
850 34th St. S., St. Petersburg
727.893.5452 or www.pcsb.org/gibbs-hs

BETA provides students with four years of instruction blending business and technological skills into academic courses. Critical thinking and hands-on curriculum are evident. BETA students can earn industry certification in their chosen pathway. Pathways include Business Supervision and Management, Digital Media Technology, Network Support Specialist (CISCO), Game/ Simulation/ Animation Programming, and Digital Design. Job shadowing and internship opportunities ensure graduates are prepared with 21st century skills to enter the business-related workforce, join the military, or attend postsecondary education.

CAREER ACADEMY FOR INTERNATIONAL CULTURE & COMMERCE (CAICC)

Clearwater
Application: Countywide | **Transportation:** Ulmerton North
1951 Gulf to Bay Blvd., Clearwater
727.298.1620 or www.pcsb.org/clearwater-hs

This academy provides students with an introduction to international business emphasizing global studies and multicultural diversity. CAICC offers courses in information technology, business software applications, international business systems, accounting, and international finance and law. Students are exposed to a variety of international business career paths. Opportunities are offered for achieving industry certification. Integration of core academic classes and academy-themed classes provides students with a multifaceted approach to success during high school and beyond.

CULINARY ARTS

This program provides students with hands-on training for a career in the culinary arts and hospitality industry. Students explore worldwide cultures while developing specialized skills in food identification, selection, purchasing, and preparation. Students can receive industry certification in culinary work and are prepared to pursue advanced culinary training or start careers in food preparation and restaurant management.

EDUCATION & LEADERSHIP

CENTER FOR EDUCATION & LEADERSHIP (CEL)

★ **Seminole**
Application & Transportation Area: HS Mid
8401 131st St. N., Seminole
727.547.7536 or www.pcsb.org/seminole-hs

The Center for Education and Leadership program promotes teacher training opportunities and academic rigor by preparing students for careers requiring postsecondary education. Students will take Teaching Assisting courses for four years to explore and develop instructional delivery. Students will complete a minimum of 150 observation hours and participate in focused learning activities. Students can earn 60 college credits through CEL.

EXPLORING CAREERS & EDUCATION IN LEADERSHIP°

★ **Largo**
Application: Countywide | **Transportation:** HS Mid
410 Missouri Ave., Largo
727.588.3758 or www.pcsb.org/excel

ExCEL promotes career and college readiness and leadership development through hands-on learning, real-world problem solving, and career shadowing opportunities. ExCEL embraces the AVID program’s philosophy and strategies by building a culture of positive peer influence and support, tutoring, and mentoring. The AVID course and curriculum emphasize academic independence and increased rigor. Project-based learning, alternative assessment, and educational opportunities beyond the classroom prepare graduates for life after high school.

RISE (RESILIENCY IN STUDENT EXPERIENCE) ACADEMY

★ **Seminole**
Application & Transportation Area: HS Mid
8401 131st St. N., Seminole
727.547.7536 or www.pcsb.org/seminole-hs

The Rise Academy at Seminole High School is designed for students who are interested in student services careers, such as guidance counselors, social workers, psychologists, and other service provider professions. RISE Academy students take academic classes that prepare them for entry into colleges or universities, with an emphasis on the social sciences. In addition to rigorous coursework, students will have the opportunity to build the resiliency necessary in navigating obstacles in any environment. Working in tandem with faculty, university, and industry partners, the RISE Academy students will have access to dual enrollment coursework, conduct field observations, as well as take part in professional internships and externships. Rise Academy students will graduate from the program poised for success in college, career, and beyond!

Magnet Schools of Distinction ★ Top Magnet Schools of Excellence ★

East Lake
Application: Countywide | **Transportation:** HS North
1300 Silver Eagle Dr., Tarpon Springs
727.942.5419 or www.pcsb.org/eastlake-hs

This four-year program focuses on science, technology, engineering, and math. Courses offer an introduction to engineering, aeronautical engineering, computer-integrated manufacturing, digital electronics, principles of biotechnology engineering, civil architecture, and engineering design and development. Students engage in compelling, real-world challenges that help them become better collaborators and thinkers. Students gain knowledge and skills for any career or college path they take.

FUNDAMENTAL

Pinellas County’s Fundamental Programs offer students a family-oriented, structured environment. Parent-teacher-student commitment to a quality education enables growth in the areas of responsibility and self-discipline. Among the schools’ requirements are daily homework, dress code, and monthly parent meetings. All high school fundamental programs have countywide application areas. Students entering the fundamental programs at Boca Ciega (South), Dunedin (North), and Osceola (Mid) high schools receive arterial transportation within the boundaries of the high school application areas. Feeder pattern priority is for Fundamental middle school students.

LAW & PUBLIC SERVICE

CRIMINAL JUSTICE & FIRST RESPONDER ACADEMY

Pinellas Park
Application: Countywide | **Transportation:** HS Mid and South
6305 118th Ave. N., Largo
727.538.7410 or www.pcsb.org/CJA

The Criminal Justice Academy is a four-year program designed for students interested in pursuing a career in law, forensics, law enforcement, and other criminal justice-related fields. Students gain an understanding of the American legal system and explore career related opportunities including police operations, court and corrections procedures, civil law, and forensic science crime scene investigations. Graduates are prepared to enter college, technical training, the military, or workforce.

Designed for students interested in entering first responder, firefighting, or emergency management careers, this challenging program focuses on understanding and demonstration of broad, transferable, field-based skills. The four-year emergency management focus and three-year Firefighter 1 course provide certification opportunities in First Aid, CPR, AED, Homeland Security, and National Incident Management System (NIMS). Industry certifications may be obtained for Firefighting 1 and Emergency Medical Responder classes. Graduates are prepared to enter college, technical training, the military, or workforce.

° Recommended academic profile 20

HEALTH SCIENCE

CENTER FOR WELLNESS & MEDICAL PROFESSIONS[°]

This program prepares students for careers in the medical field and helps develop a commitment to personal wellness and the prevention of disease. The program curriculum provides educational opportunities for students to earn industry certifications while in the program and to pursue post-secondary degrees or entry level medical and wellness jobs upon completion.

★Lakewood

Application: Countywide | **Transportation:** HS South
1400 54th Ave. S., St. Petersburg
727.893.2916 or www.pcsb.org/CAT

The Center for Advanced Technologies (CAT) prepares students for entry into careers in engineering, digital media, artificial intelligence, computer science, and more. Students use cutting edge technology to engage in collaborative, hands-on projects with robotics, drones, AI, programming, and content creation. They participate in digital media, mathematics, and robotics competitions and receive real world experience through design projects and apprenticeship opportunities with faculty and industry partners. CAT students earn extensive industry certifications and college credits and leave the program ready for exciting college and career experiences!

GAME & SIMULATION PROGRAMMING

Richard O. Jacobson Technical

Application: Countywide | **Transportation:** HS Mid
12611 86th Ave. N., Seminole
727.545.6405 or www.pcsb.org/techhigh

A passion for gaming can be turned into an exciting career. This program is project-based and focuses on game design, the business side of gaming, programming for single and multi-users, and collaboration. Students will create several games, make digital career portfolios, and enjoy classroom visits from industry professionals. Information Technology Specialist and Unity Certifications are available. Topics covered include Unity Game Engine, C# coding/programming, development methodologies, and business requirements.

INSTITUTE FOR SCIENCE, TECHNOLOGY, ENGINEERING & MATHEMATICS (ISTEM)

★Countryside

Application Area and Transportation Area: HS North
3000 State Road 580, Clearwater
727.725.7956 or www.pcsb.org/countryside-hs

ISTEM offers two career and college preparatory tracks that offer multiple industry certification: technological and scholar. Our technological track provides students with skills needed in the IT field. Students choose one of four strands: Computer Systems and Information Technology (CSIT), Game and Simulation, Web Application Development and Programming, or Digital Design. Our scholar track provides rigorous, college preparatory instruction and credits across all subjects with an emphasis on STEM. The curriculum prepares students to be at the forefront of research, technology and innovation. Students apply emerging technologies in real-world scenarios through one of three fields: Cybersecurity, Biotechnology, or Engineering Technology.

INTERNATIONAL STUDIES

CAMBRIDGE PROGRAM - ADVANCED INTERNATIONAL CERTIFICATE OF EDUCATION (AICE)^{*}

Cambridge University's AICE program provides high-quality academic curriculum with a global perspective that prepares students for post-secondary education. Students have the opportunity to tailor their studies to their interests, skills, and future goals. Students can earn an AICE international diploma in addition to their Florida high school diploma. Some colleges and universities offer college credit upon successful completion of AICE courses.
