Good Evening Eagle Families,

We will have an East Lake Campus Town Hall Meeting regarding the possibility of aligning the MS school times to the HS hours on Tuesday January 22, at 5PM in the cafeteria. The middle school would align their hours to our hours, 7:20am-1:50pm. At this meeting you will get to hear from myself and Karen Huzar, the ELMS Principal, about the pros and the cons and concerns that we have thought through about the alignment. After hearing from us there will be a short question and answer session and before leaving we would like to get your input if you are in favor or not about aligning the school hours so the campus all runs on the same hours. This is just more data and information that we will share with our district leaders. Hope to see you there.

Thank you,

*Carmela Haley*, Principal
