Good Evening Eagle Families,

### **Town Hall Meeting Update**

First I want to thank everyone that came out to our meeting this past week as well as those that took the time to send Mrs. Huzar and I feedback via emails. I really appreciate the thoughtfulness that went into your feedback. At this time we have made the recommendation that we do not feel the time alignment with the middle school moving to the high school hours would work for our community based on all feedback given either in person or via email. However, we do recognize that some items and concerns do need action. We will be working with district leadership to help solve these concerns.

### **Yearbook**

As we cruise into February don't forget to order your yearbooks now. As in years past, we will sell out and you don't want to miss out on the documented history of our year together. Please contact our adviser, Mrs. Wall or go directly to [www.yearbookordercenter.com](http://www.yearbookordercenter.com) to order your book today. Thank you for your continued support of our yearbook program!

### **Nominate an A+ Teacher!**

Each Tuesday morning, Spectrum Bay News 9 and Al Ruechel will feature an A+ Teacher who is inspiring and leading students across the Bay Area. Bay News 9 has asked students or their parents to nominate an A+ Teacher. If you know of a teacher who deserves to be recognized please nominate them. Nominations can be submitted by email at [teachers@charter.com](mailto:teachers@charter.com). Parents and students should send contact information and a short explanation of why their educator is an A+ Teacher.

Thank you and have a great evening,

Carmela Haley, Principal  
East Lake High School
