[Directions to East Lake High School](#)

Good Evening Eagle Families,

SAT INFORMATION

If your senior signed up for the October 10th in-school SAT by the September 10 deadline, they will be taking a free in-school SAT on Wednesday starting at 7:20. They will be testing in Building 2 and they can get their room assignments ahead of time by asking their 4th period teacher.

Students must bring with them a valid photo ID card in order to be admitted into the test. This is a College Board requirement – no exceptions!

They should also bring with them two #2 pencils and their own calculator. They will be released for a 30 minute lunch with the rest of the school at 11:40 before continuing to their 6th and 7th Period classes.

PSAT INFORMATION

If your student is taking the PSAT Wednesday they may check with their 4th period teacher for their testing room or they may check one of the many posters around the school. They should bring two number two pencils and an approved calculator. Their math teachers have already shared with them which calculators are approved. They will be released for a 30 minute lunch with the rest of the school at 11:40 before continuing to their 6th and 7th Period classes.

If your junior or senior is not testing, they may choose to use a college day, or come to school and follow teachers' directions as to where their class has been relocated. Unfortunately, the deadline for signing up for these tests has passed and we are unable to add any new students. Thank you and have a great evening,

Carmela Haley, Principal
East Lake High School
