February 22, 2019

Good Evening Eagle Families,

Next week we begin our Algebra EOC and FSA ELA retake testing.

If your student has already taken, but not yet passed, the algebra EOC test, and is still needing to meet the algebra graduation requirement, they are scheduled to take the algebra retake test on 2/26 and 2/27. Students must attend both days. The test begins 1st period and ends after 3rd period.

If your student is in 11th or 12th grade and has not passed their FSA ELA graduation requirement, they are scheduled to take this important test. The test is given over three days and students must attend all three days. The FSA ELA test will be given on 2/28, 3/4 and 3/5. The test begins 1st period and ends after 3rd period.

Passing both of these tests are graduation requirements so please make sure your student is well rested and prepared to test. Remember, we offer free breakfast for all students!

We are currently registering students for next year's classes. Students are working with their teachers and counselors to ensure they are requesting the best academic options. If you have not done so already, please review and sign the course request sheet.

We are only two weeks away from spring break and the end of the third nine week grading period. It is never too early to begin preparing for annual assessments and final exams. Thank you and have a great evening,

Carmela Haley, Principal
East Lake High School
