3-12-20

Good Morning Eagle Families,

Please note there is a **fake** snapchat from me circulating around, saying our school will be closed today and tomorrow, and going virtual. As you know, I do not use snapchat to communicate with families. Important information such as school closings would come from the district. Please join me in reminding students to be responsible in posting false information on social media.

Message from 3/11/2020

Dear Eagle Families,

The COVID-19 virus and its implications in our schools is evolving and requires us to continually review our practices in order to keep our students, staff and volunteers safe.

Monday, Governor DeSantis issued a State of Emergency for the State of Florida. Yesterday, school districts received strong recommendations from the Florida Department of Education and the Florida Department of Health to suspend all out-of-state air travel effective immediately. This recommendation is based on the most current information and guidance from the Centers for Disease Control and Prevention.

Beginning immediately, all field trips involving airline travel out-of-state are being suspended as well as events including international participants. This includes all previously approved trips and those still in the planning stage. Moving forward, each event will be individually re-evaluated. As more information is available it will be shared.

SAT

SAT in school test day is March 25th. All students who will be taking the SAT must have their school ID or driver's license with them that day to take the test.

Thank you and have a great evening,

Carmela Haley, Principal

East Lake High School
