Dear Eagle families,

Happy Summer!

I hope this finds you enjoying time with family and friends. We are also taking the summer to recharge and refresh. We're also attending valuable professional development trainings to assure that our staff are well prepared for the return of our students.

EOC and FSA test results are scheduled to be released the end of June. I will send an email as soon as they are released so you can review your students' scores in FOCUS. Please remember, your child's schedule may be adjusted because of their scores. As you are aware, passing the state requirements for algebra and reading and writing are mandatory for a high school diploma and we want to make sure each of our students meet these requirements.

All textbooks should have been returned to the school by this point. However if you do find a textbook at home, please stop by the school and drop it off to avoid paying lost textbook fees.

Please do not forget our **Summer Reading** list which can be found just below here.

Senior families, there is a link under Site Shortcuts to the left to direct you towards Senior Portrait information. Once on the Cady Studios site, search for East Lake High School and follow the prompts to schedule your senior portraits. It's important to get these scheduled and done as soon as possible.

Lastly, please check your *FOCUS* account to ensure we have updated telephone numbers and email addresses. These are primary methods of communication and we want to make sure you know what's happening on our campus.

Thank you,
Carmela Haley, Principal
East Lake High School
