2018-2019 School Year  
**Summer 2018 Assignment**

# **Welcome to AP Studio Art!**

First off, thank you for being amazing! It takes serious courage to make the commitment to bring your artwork to a new, advanced level. BCHS Art Dept. teachers are extremely excited about working alongside of you this coming school year!

Please get a head start on the school year by considering the following this Summer:

- Do you have a sense of artistic “voice” or style?
- What motivates you to have an artistic style?
- Begin considering yourself as an artist, not just an art student.
- One of the most difficult aspects of our upcoming class will be creating a sense of artistic discipline for yourself. We start this on Day 1, and therefore, a small Summer Portfolio is required to give you a chance to get warmed up.

**Your Summer Portfolio is worth 10% of your 18 – 19 Quarter 1 Grade.**

**To earn these points, show up**

**for the AP Summer Bootcamp on 8/1/2018 12 – 3 pm**

**-or-**

**on Day 1 of class with:**

**(10) pieces of art**

→ The more complete the piece is, the higher the amount of points you will earn (example - a drawing you spent hours on will earn you more points than a 30 second doodle on a napkin)

→ Remember, each piece can be something from the following list:

- a Sketchbook page
- a quick, somewhat developed drawing on loose paper
- a collection of developed doodles
- an artistic photograph
- a photograph that documents another type of art that you made (i.e. a sculpture or mural)
- a Photoshop image
- an artwork that is done on a canvas (i.e. a painting)
- an artwork that is done on an unusual surface (i.e. cardboard, panel, fabric, etc.)
- a sculpture that you can physically bring into school (smaller scale)

**If you have other ideas – reach out to your AP Studio Art Teacher on email !**
