## Industry Certification Options:

Business Software and Entrepreneurship  
Certified Nursing Assistant (CWMP students)  
Digital Art  
Electrocardiogram (CWMP students)  
Project Lead the Way  
CIW Internet Business Associate

## Fundamental School Within-a-School Application Program:

The Fundamental Program at Boca Ciega High School is a program where strong parental involvement occurs. Our “School within a School” families interact with teachers and staff frequently to ensure that each student has the best educational experience possible. Additionally, parents attend at least one monthly meeting to keep apprised of all opportunities for students.

The profile of a Fundamental student is one who challenges him/herself through enrollment in rigorous classes, attends classes regularly, and adheres to the Code of Student Conduct. Our students are strongly encouraged to take AVID as an elective to ensure success in college courses including Dual Enrollment and Advanced Placement. Our goal is to ensure that every student has a solid plan to follow after graduating from high school.

## How to Apply to our Fundamental or CWMP Programs:

Students can apply to our Fundamental or CWMP Programs through the Pinellas County Student Online Reservation System at [www.pcsb.org](http://www.pcsb.org).

## Center for Wellness and Medical Professions (CWMP) Application Program:

The Center for Wellness and Medical Professions at Boca Ciega High School is an academically rigorous program in which students may participate in honors or Advanced Placement (AP) level courses in math, science, social studies or language arts. In addition, students in this program participate in elective courses which may include technology, world language, or other honors and AP level academic electives. Students who typically do well in this program earn mostly A’s and B’s on their report cards, maintaining a 2.0 average and earn proficient scores on their FSA mathematics and language arts annual assessments. Students new to Pinellas County Schools who do not have an FSA score, can look at their standardized test scores from their previous school to determine if they have at least a 4 stanine or higher in both reading/language arts and mathematics.

Once enrolled in the program, students must attend all classes regularly, maintain a minimum unweighted GPA of 2.0 in 9th grade, 2.3 in 10th grade and 2.5 in 11th and 12th grades as well as abide by the Code of Student Conduct. Falling below these expectations may result in placement on probation and/or dismissal from the program. Please review the District Application Program Procedures available on the Pinellas County Schools website for further information.

“  
*Students and staff at The Boca Ciega High School work together to create an atmosphere of respect, tolerance and learning.*”

Michael P. Vigue, principal

## Boca Ciega High School General Information:
