What Do You Need to Do to Graduate?

In order to graduate, you'll need to earn:

- 24 credits (4 English, 4 Math, 3 Science, 3 Social Studies, 1 HOPE, 1 Art, and electives)
- Maintain a minimum 2.0 Grade Point Average (this is a “C” average of all of your semester and year long courses, not the 9 week GPA)
- Pass the 10th grade FSA and Algebra End of Course Exam (all other EOCs count as 30% of the yearlong final grade)
- Pass one online course
- These are the absolute minimum standards to receive our diploma.
If you intend to continue on to college, you'll need to do more:
- Take at least two years of foreign language
- Take honors, dual enrollment, and/or AP courses
- Earn high qualifying scores on the PERT, ACT and/or SAT
- Maintain the highest GPA you can throughout your HS career!

How Do You Earn Credits?

- Credits are earned each semester – in December and May
- A semester is two quarters and the exam combined (half of the year)
- Student who fails either quarter and the semester exam can receive a semester grade of “F” (teacher discretion model)
- Student who fails both quarters but passes the semester exam can receive a semester grade of “F” (teacher discretion model)
- A few samples of how we average your semester grades:

1st Quarter (37.5%):	2nd Quarter (37.5%):	Semester Exam (25%):	Grade:	GPA:
A	A	B	A	4
B	B	F	C	2
F	C	B	C or D	2 or 1
D	D	F	D	1
A	A	F	B	3
C	F	F	D or F	1 or 0
F	F	A	D or F	1 or 0

How Can We Help You Get Into College?

- Take AVID as an elective (we have over 550 kids who do already!)
- Honors level courses in all core subjects and many electives
- Dual Enrollment courses are available for 11th + 12th grade students who qualify with a 3.0 or high GPA and a high PERT, ACT, or SAT score. Passing a dual enrollment course with a final grade of “C” or better earns HS credit and 3 College Credits at the same time
- Advanced Placement courses are available to everyone, but require a lot of extra work, reading, studying, and good attendance/effort
 - AP exams are graded by the College Board on a scale of 1 to 5
 - A score of 3 or higher on an AP exam earns college credit
- Take AP Capstone Seminar in 10th or 11th grade, followed by AP Capstone Research in 11th or 12th grade
- Students who take honors, dual enrollment, and advanced placement courses will face a more challenging curriculum and will be better prepared for college (regardless of the score on an AP exam)

How Can We Support Your Academic Needs?

- A common organizational binder system for all classes...counts for at least 15% of the total grade for each quarter
 - Bring and use your binder every day in every class
 - Take Focused Notes in every class (your teachers will help you)
 - Use your student assignment notebook every day in every class
- Extended Learning Program (ELP) after school every Tuesday, Wednesday, and Thursday in 4-101 from 2:00 to 3:00pm
- Saturday test prep sessions in April for EOCs and AP
- Summer 2019 credit recovery
- Post Education Readiness Test (PERT) for selected students/courses at the end of each quarter
- PSAT for all 9th and 10th graders on October 10th (11th graders can also register to take the PSAT and 12th graders can register to take the SAT)
- ACT and SAT assessments on Saturdays throughout the year
- ACT during the school day on 10/2 for all 11th/12th reading students
- ACT during the school day on 2/20 for all 11th/12th reading students
- SAT during the school day on 3/6 for all 11th graders and 12th reading students

How Can You Exempt Some of Your Exams?

- A or B in both quarters to exempt with a limit of three per semester (except second semester seniors)
- Students cannot exempt both exams for a yearlong class (except seniors)
- Student must be enrolled in PCS for the entire semester to be eligible to exempt an exam
- Five or more absences in a class require the student to take all semester exams (tardies are added in and count as 1/3 of an absence)
- Students cannot exempt End of Course (EOC), AP, and Dual Enrollment exams
