Parent/Guardian Information Can be found here: MyPCS Online

- Parent/Guardian Access to Child’s Canvas Courses – See Below

   - Click on “Click Here For an Account”
2. Fill in your information.
   - First and Last Name
   - Email address – This will be your username for future logins
   - Password you select – We CANNOT access your password if you lose it or forget it.
   - Enter Student Pairing Code
     o Pairing Code can be retrieved from school/teacher or students can generate their own code
   - Check the box that you “agree”.
   - Click “Start Participating”.

3. After clicking “Start Participating” your Canvas Dashboard will list the courses that your child is in with his or her name listed. In this example: Stacey is in two classes and I am observing her in both.
4. If you have more than one child in MyPcs Online:
   - Select account
   - Select “Observing”

5. Enter the student “Pairing Code” for your other child in the box and click +Student.

6. Repeat step 5 for each child’s “Pairing Code”.

7. Click Dashboard to return to see all the courses your child(ren) are taking.
