Select (highlight) eight course numbers as your first choices for classes. You should also select two alternative courses which can be used as substitutes if your first choices cannot be used in your schedule. Your alternative choices are as important as your first choices and use of your alternative courses will not be a reason for changing your schedule at the start of a semester.

Courses with a  $^{\star\star}$  satisfy the one credit of fine/performing art needed for graduation.

A reading course may be required based on FSA scores.
