History: Begun in 2006 with a \$500 grant, Tracey Keim originally designed the GDP&C as a project to assist students with suits and dresses for dances and interviews. From those many garments grew something much larger in size and scope—where when something was needed, there was a place to go. The doors open dozens of times each week meaning we serve hundreds each year. Persons who enter know they are looked after because they are Green Devils. We thank all of our supporters, some of who once entered the closet years ago!

The GDP&C is organized and maintained by SPHS student volunteers, stocked by donations.

Mission Statement: To provide food, household/school supplies, uniforms/undergarments and other needed items to any member of the Green Devil family without question or judgment to promote success in school, job placement and in the community.

Keep in mind our clients are often in transition, homeless, living in hotel room(s) or just getting out on their own. *Donations can be made to SPHS Green Devil Pantry.* Donations allow for purchase of new shoes and jeans/shorts as needed.
