

**MENTOR Recruitment Fair-National Mentoring Month**

It does not take much time to have an impact on a child's life. Countryside is in need of dedicated caring individuals willing to become engaged with our students as mentors.

- Attend a one-hour mentor workshop
- Be matched with a student at the school closest to where you live or work
- Enjoy time with a student for 30 minutes a week
- Register to volunteer and obtain a free level 1 background screening
