Pinellas Pathways to Graduation

Pinellas County Schools developed Pathways to Graduation to provide students with a roadmap of course options to ensure that they graduate prepared for their educational and career goals after high school.

There are three Pathways: The Advanced Scholar Pathway, the College Scholar Pathway and the Technical/College Pathway.

Each Pathway provides course options that help students complete the requirements for earning a high school diploma. The Pathways also allow our graduates to distinguish themselves when they apply to colleges, universities and technical schools, or enter the workforce.

Students can choose different Pathways later or multiple Pathways at the same time. No matter which Pathway(s) students choose, they will be eligible for any or all of the diploma seals, also known as Diploma Designations: the state's Scholar and Merit designations and Pinellas County Schools Advanced Scholar designation.
