\*As a general reminder regarding graduation options: Our Superintendent is still planning a large venue formal graduation at the end of July. If this is not possible at that time, he will release the Virtual Graduation video production. This video production will be provided as a keepsake at that time even if we do have a formal graduation ceremony.

\*Don't forget to keep those senior salutes coming! Email them to me at [whitakerf@pcsb.org](mailto:whitakerf@pcsb.org)

I will keep you updated if we receive any additional information via phone message, Facebook and our school website.

I hope everyone is doing well and has a great weekend and GO COUGARS!
