Ms. Canfield and Ms. Kapus provide support and assistance to our English Language Learners (ELL).

As soon as possible, the Comprehensive English Language Learning Assessment (CELLA) will be given to the student to evaluate four areas... listening, speaking, reading, and writing. The results will determine the level of support the student needs while in school.

FRONT OFFICE...

Ms. Skandaliaris will greet you whenever you come to the front office.

This is our front office. You will check-in here if you need to see someone in the office such as your school counselor, our bookkeeper, social worker, or an administrator. This is also where you will sign in if you are tardy to school and where you sign out if a parent is picking you up early.

OUR DEPUTIES...

Deputy Duckers Deputy Cappa

The role of the School Resource Deputy is to maintain a safe and secure learning environment for all students and staff members. We are very fortunate to have Deputy Cappa and Deputy Duckers with us this year.

We realize the trust you place in us to ensure our campus is a secure place for learning. In addition to our two full-time deputies, there are other ongoing safety measures that we have in place -

- ✓ Secured gates and fences with a single point of entry.
- ✓ Locked classroom doors during all instructional times.
- ✓ A visitor management system used to check-in all visitors.
- ✓ A full review of our campus security plan and full physical assessment by school staff and local law enforcement.
- ✓ Monthly safety drills and yearly training for all staff on safety protocols and prevention methods.

In addition, all volunteers must apply and be screened prior to volunteering on campus or with students. Level 1 volunteers receive a national background screening, and level 2 volunteers receive a fingerprint screening processed through the Federal Bureau of Investigation and Florida Department of Law Enforcement. Volunteers are required to sign in at the front office and always wear a volunteer name tag or badge while on campus or at a school sponsored event.

We also use two anonymous reporting systems to allow students, staff or anyone from the community to report a concern. **FortifyFL** and **The Say Something Anonymous Reporting System**, are both school-related suspicious activity reporting tools that allow students and the community to instantly relay information anonymously. The anonymous tips are then sent to the appropriate law enforcement agencies and school officials.

Be proud to be an
East Lake Eagle!
