

April 25, 2021

Dear Parents, Teachers, Staff and Community Members of Hollins High School this is Principal Robert Florio with your weekly update:

- This Friday April 30 marks the half way point of the fourth quarter. Just like that the year will be over. It is critical that your student finish this fourth quarter strong and study for any all exams. Nearly two thirds of your student's grade is at stake. ELP after school Monday through Thursday from 2 pm to 3 pm we offer tutoring, test preparation and homework assistance in all core academic areas
- This is the last week for 9th and 10th graders to make up FSA Writing – Please make sure your student takes this important test. Our entire spring testing schedule can be viewed on our school's website
 - Although our senior class of 2021 had their test requirements waived – no other class has had that granted. Tests will not hurt your student's grades – only help them. We need your help to test all of our students, to accurately gauge our progress and to petition the state of Florida for a school grade – to measure our success and assess our areas in need of improvement
- AICE Testing starts on Monday April 26 in our gymnasium. General Paper AS Level – periods 2,4 starts at 7:30 am – second wave 9:00 am periods 4,6
 - AICE AS Level Psychology Tuesday April 27 at 7:30 – Marine Science 12 pm
 - AICE AS Level General Paper Wednesday April 28 periods 1,3 at 7:30 am – periods 3,5 9:30 am
 - AICE AS Level English Language Thursday April 29- periods 2,4 7:15 am
 - AICE AS Level Marine Science Thursday April 29 period 8 12:00 pm
 - AICE A Level Marine Science Friday April 30 periods 5,7 11:30 am
 - AICE AS Level Thinking Skills Friday April 30 periods 5,7 11:30 am
- Summer Bridge applications have been distributed to students in their classes and are available online on our website. Summer Bridge will run from Monday June 21 through July 17 Monday through Thursday from 8 am to 12 pm. Breakfast, lunch and transportation will be offered.
 - Courses offered are Algebra EOC prep – to prepare students for required graduation exam and Algebra credit recovery for students who need to make up a credit in the course
 - ACT Math and Reading prep will be offered. This will prepare students for the ACT test to achieve a concordant score in both Math and Reading to graduate or to increase their score for college and university entrance. Students who sign up and attend the session will receive a free ACT test voucher and be able to take the ACT on July 17
