

August 11, 2021

Dear Parents, Teachers, Staff and Community Members of Hollins High School this is Principal Robert Florio with an important opening day announcement:

- Today, Wednesday August 11 will be our first day of the 2021/22-school year. We are excited and eagerly await your return
- School starts at 7:10 am today after a brief drive by visit to your homeroom to pick up your schedule – students will then head directly to first period – Homeroom information can be found on our website – on posters located around school and individual staff members will have the information with them
- During first period students will receive pertinent school information that will be reviewed and asked to be brought home. Each teacher will review the same presentation to ensure everyone is getting the important information
- We have new construction to our main courtyard – so traffic patterns will need to be followed and specific areas for lunch will be designated – all information will be reviewed during first period
- Please give yourself extra time tomorrow and this week as it is always busy the first few days in the car and bus circle

Have a great day – look forward to seeing everyone today bright and early!

See you at the top!
