

Dear Parents, Teachers, Staff and Community Members of Hollins High School, this is Principal Robert Florio with your weekly update:

- Thank you to all teachers, students, staff and families for a great first week back at school. The excitement was palatable – it was great to have everyone back and ready for a great year
- With over 1800 students back on campus – traffic is much higher than last year. Please give yourself extra time in the morning to navigate the car line and get your student to school on time
- Reminder that our courtyard project is in full swing. This has changed walking traffic patterns and seating areas for lunch. The students adjusted well. We have lunch options in the cafeteria as well as three satellite areas on campus for students to get free lunch. Every student who wants a meal will be able to get a meal
- If your student is sick, exhibiting COVID symptoms or someone in the household is sick with COVID – please keep your child home and follow the Department of Health quarantine guidelines
- **Back to School Night:** Mark your Calendars for our Annual Back to School Night for 8/24 at 6pm. There will be more information to come.
