

# COLLABORATING FOR SUCCESS

## High Impact Classroom Family Engagement

### WHAT

Designed for classroom teachers and school administrators, this 3-hour workshop will establish the link between family engagement and student achievement and offer a systematic evidence-based approach to building comprehensive strategies toward successful, sustainable family engagement in the classroom.

### WHEN/ WHERE

Thursday, August 5	9 AM- 12 PM	Administration Building, Room E111
Friday, October 8	9 AM- 12 PM	Administration Building, Room E111
Monday, February 21	9 AM- 12 PM	VIRTUAL

If you are registering for the virtual section, the meeting link will be sent the week before the training.

**\*\* 3 hours trade time available for attending\*\***

REGISTRATION IS  
OPEN  
**PLN COURSE  
# 27753**

Participants will:

- 1) Examine their core beliefs about family engagement
- 2) Understand the link between family engagement and student achievement
- 3) Understand the components of the dual capacity framework for family-school partnerships
- 4) Learn how to effectively build relationships with their families
- 5) Get tools and strategies to start engaging their families (with a focus on families of diversity)
- 6) Know how to monitor their progress on family engagement and the impact on students.
